TWELVE PAGES—FIVE CENTS

CIO, AFL Merger Seems Imminent

LOS ANGELES (AP)—A new era of good feeling between the AFL and CIO developed Tuesday at the AFL's annual convention with indications the nation's two big labor groups plan an early merger.

The CIO sent a warm message of "fraternal best wishes" to the AFL sessions—the first time the CIO has extended such an expression of friendship since its unions broke away from the AFL nearly two decades ago.

In his message CIO President Walter Reuther said that the no-raiding agreement recently signed by the AFL and CIO makes "a heartening trend toward elimination of friction within the labor movement."

Douglas Urges U.S. Relief For State Drought Areas

HILLSBORO, Ill. (AP)—Sen. Paul H. Douglas (D-Ill.) proposed Tuesday night that the federal government undertake a "realistic" program of drought relief in Illinois and other drought-stricken areas.

The five billion dollars appropriated for the upper Colorado River irrigation project should be used instead for drought relief, the Democratic nominee for reelection said.

Speaking at a Democratic rally in this central Illinois town, Douglas said the federal government should turn its attention to drought control in the Midwest, "where conditions are really serious."

"I believe," he said in his prepared text, "that a federal program of encouraging the construction of farm ponds, and aiding the construction of city and town water reservoirs, the elimination of water pollution in the rivers, should be undertaken before the government undertakes to irrigate lands in the wilds of Colorado. Many cities in Illinois—Shelbyville, Mount Sterling, Carlyle, Taylorville and others—need clean water supplies. Farmers south of Springfield have lost probably half of their crops due to drought. I believe in meeting this problem before the federal government undertakes a wild and wasteful project in Colorado and Utah."

Fort Worth's AWOL Snake Can't Take Cold Weather

FORT WORTH, Tex. (AP)—Pete the python is still loose.

And the official hunt for the 16-foot python has been called off until somebody can provide a clue to the whereabouts of the AWOL resident of the Forest Park Zoo.

Unofficially, scores are still looking for Pete. Park Director Hamilton Hittson called off the serious hunt for the hundred-pound plus snake.

When and if new tips as to Pete's whereabouts are received, the hunt will be resumed.

Hittson said the cool weather in the lower 80s Tuesday will almost immobilize Pete. A freeze—most predicted anytime soon—will kill him, Hittson predicted.

The big snake turned up missing early last Saturday. He'd pushed aside the end of his cage and slithered over an eight-foot wall to freedom.

Cheating Of Small Homeowners Vast, FHA Probers Told

INDIANAPOLIS (AP)—Widespread balking of small homeowners by fly-by-night contractors on Federal Housing Administration home improvement loans was described before the Senate Banking Committee Tuesday.

The practice, as outlined by witnesses at hearings before Sen. Capehart (R-Ind.), committee chairman, showed this general pattern:

1. Fast-talking salesmen would approach a small homeowner with a proposal to apply siding or roofing to be paid for with an FHA-backed "Title I" or home improvement loan—generally with no down payment and 36 months to pay.

2. The salesmen would tell the homeowner they would use the completed job as a "model" home and would pay the owner a fee—usually \$50—for each sale made from showing the completed job.

3. As an added inducement, the salesmen often would offer to pay several hundred dollars in cash to the homeowner for signing the contract for the job.

4. An FHA loan would be arranged, at double or more the actual cost of the project, and part of the money would be turned over to the homeowner with the explanation the loan also could be used to meet payments on stoves, refrigerators and other appliances.

Generally, a dozen witnesses brought out, no fees were paid for any sales made from demonstrating the completed work. It often was of inferior quality, they said, and complaints to the contracting firms brought statements they were not responsible for what their salesmen said.

Capehart said several times during the afternoon questioning of "Title I" witnesses that their testimony was in line with a pattern investigation has shown to be prevalent over the country.

He lashed out at "carelessness" of banks making such loans and "loose operation" of FHA offices in approving them. He indicated he would seek amendments to the National Housing Act to make such practices impossible.

"PEARL KING" DIES

NAGOYA, Japan (AP)—Kokichi Mikimoto, an humble noodle vendor who gained world fame and riches by coaxing oysters to produce pearls, died today at the age of 96.

The "Pearl King," as Mikimoto was known, became one of Japan's richest men after he learned the secret in 1905 of producing cultured pearls.

Mikimoto pearl necklaces soon were sold around the world.

Japan exported nearly five million dollars worth of cultured pearls last year, 70 per cent of them to the United States.

Library Of Congress Holds Rummage Sale, Nets \$2,804

WASHINGTON (AP)—The Library of Congress has held a rummage sale, and the good news Tuesday is that the nation's taxpayers are \$2,804.50 richer because of it.

Anyone who prowls around his attic will stumble over things that he can't figure out why he ever saved in the first place. The same is true, and then some, of the Library of Congress.

It tossed out 80,000 volumes—some because they were no longer needed, some because they were duplicates—and put them on sale, take your pick at 50 cents each. The 1,171 buyers who wandered among the crammed shelves had their choice of such goodies as:

The Annual Report, Part III, of the Army Chief of Engineers (1892).

Cuba's 1943 census report. In Spanish, of course.

Last year's Sears, Roebuck Catalogue.

The 1927 social index for Palm Beach, Fla.

Some of the books had a historical appeal, but it was hard to determine what attracted many of the buyers. During a discussion of useless reading material, one reporter mentioned he couldn't think of anything more useless than back copies of the "Almanach de Gotha," written in French, which contains, among other things, a short list of European royalty.

"But you know," said a library assistant, "we must have had 10 people asking for that very thing. And do you know the payoff? One fellow bought 30 copies. Seemed happy about it, too. Why, I don't know."

The consensus is his wife will be holding her own rummage sale before long.

Adenauer Asks Quick End To West German Occupation

Nixon Asks Adlai What Demos Would Do If Elected

EAST LANSING, Mich. (AP)—Vice President Nixon demanded Tuesday night that Adlai E. Stevenson say how the policies of a Democratic Congress in 1955 would differ from those of the Truman administration.

Nixon, in a campaign speech prepared for a Republican rally at Michigan State College, gave the Eisenhower administration's reply to recent charges by Stevenson that the administration is a "give-away government" and has damaged United States prestige abroad.

"Up to this time," Nixon said, "we have nothing from him but gobs and criticisms without one positive constructive suggestion as to what his party would do."

"Under the circumstances, we can only assume as his national chairman admitted in answer to a question recently, that all a Democrat Congress offers is a return to the policies of the Truman administration."

"Unless Mr. Stevenson tells the American people how he differs from those policies we shall have to continue to remind the people what those policies were."

Nixon is on an eight-state tour on behalf of congressional candidates.

Replying to Stevenson's charge that the Republicans have a "give-away government," the vice president said:

"He is correct if he refers to the fact that this administration has given back to the people 7½ billion in taxes. And parenthetically I might add that under the policies of this administration we are taking steps to tighten up the lax procedure of previous administrations which permitted espionage agents to give away to our potential enemies secret information from our State Department and our atomic program."

Nixon said it was "significant" that Stevenson offers no constructive program while criticizing the peace settlement in Indochina and the collapse of the European Defense Community.

He challenged Stevenson "to tell us honestly whether he believed the war in Korea ought not to have been ended, whether he believes American boys should have been sent to Indochina, what he would do on EDC or the other problems on which he criticizes the Eisenhower administration."

U.N. Shelves For 1954 Red Motion To Seat Red China

UNITED NATIONS, N. Y. (AP)—The U.N. Assembly as its first business Tuesday overrode Soviet demands and shelved for 1954 any action on the tension-ridden question of seating Red China.

The vote was 43-11. It was the third straight year the Assembly had taken such action.

Last year a similar proposal was approved 44-10, and two years ago it was 42-7.

Britain and France joined the United States in urging postponement of action, even though Britain has recognized the Red Chinese government. The British told the Assembly this was not the time to consider the question.

The roll call was on a proposal by Henry Cabot Lodge Jr., American delegate, to put off the issue for this year. The Assembly convened Tuesday is expected to adjourn in December.

The nations voting against the Lodge resolution were Burma, White Russia, Czechoslovakia, Denmark, India, Norway, Poland, Sweden, Soviet Ukraine, Soviet Union and Yugoslavia. Abstaining were Afghanistan, Egypt, Indonesia, Saudi Arabia, Syria and Yemen.

After this decision the Assembly elected Eelco N. van Kleffens, former foreign minister of the Netherlands, as president for this year. He received 45 votes.

Just before the vote on the Red China issue, Mrs. Vijaya Lakshmi Pandit, outgoing president and sister of India's Prime Minister Nehru, stepped down by a stern ruling attempt by V. K. Krishna Menon, her brother's top adviser on foreign affairs, to throw the whole question over to a later time in the Assembly session.

Menon protested that he had not had a chance to debate the issue.

He said the proposal for postponement was out of order.

Mrs. Pandit ruled that the Assembly by deciding to take up the Lodge resolution had decided what it wanted to do.

The Soviet Union's first deputy foreign minister, Andrei Y. Vishinsky, made the same diplomatic maneuver as last year by raising the question as the session opened.

Vishinsky said the work of the U.N. cannot succeed until the Red Chinese are admitted. He formally proposed that the Assembly send the representatives of the "Kuomintang Clique," as he described Nationalist China, and seat the delegate of Peking. Actually, no one was here from Peking.

Vishinsky did not appear to fight as hard for Red China as he did last year. Some of the delegates apparently felt he was only going through the motions expected of him as an advocate of the Red Chinese.

Harriman Favored To Win Nomination Over Roosevelt

NEW YORK (AP)—Rep. Franklin D. Roosevelt Jr.'s supporters set off a wild demonstration Tuesday night in an effort to stampede the Democratic state convention when his name was placed in nomination for governor.

The odds were heavily in favor of Averell Harriman to be the party's nominee. Harriman, 62, wealthy former ambassador to Moscow and London, is backed by the state's most influential Democratic leaders.

Delegates backing Roosevelt, 40, shouted and cheered in the hope their enthusiasm would "set fire" to delegates on the fence or committed to Harriman.

Roosevelt's name was placed in nomination by Assemblyman James J. McGuinness of Albany. Demanding an "open" convention, McGuinness exhorted:

"If it's open, I say to you, if the whip is to be taken off your backs, take it off now—take it off now."

"We want to win. We want to win," he shouted. "I want a fighter. I've got a fighter—that great man, that fighter for his country, I give you Franklin D. Roosevelt."

At the mention of Roosevelt's name, his supporters started an uproarious parade through the aisles, jumping up and down and waving "Win With Roosevelt" banners.

Harriman supporters stood by smiling at the demonstration.

The Roosevelt jamboree continued for 55 minutes, pushing back the likelihood of balloting until after midnight (11 p.m. EST).

Stevenson Campaigns For Douglas

BLOOMINGTON, Ill. (AP)—Adlai E. Stevenson plugged hard Tuesday night for the reelection of U.S. Sen. Paul H. Douglas, fellow Illinois Democrat.

Stevenson described the race between Douglas and Republican Joseph T. Meek as "about the most significant in the nation."

The 1952 Democratic presidential nominee appeared at a \$10-a-plate party dinner arranged by the Democratic organization of McLean County, where Stevenson spent his boyhood and owns a farm and important newspaper stock.

Nearly all of his prepared remarks were devoted to praise of Douglas and criticism of Meek. He called Meek a "19th century Republican Old Guard man" who shouts socialism more times per day, I suspect, than William McKinley or Mark Hanna ever dreamed of.

Stevenson said Douglas has "always been on the side of the public interest against the special interest."

It was no surprise, he said, when Douglas "opposed recent Republican attempts to give away to private companies the knowledge of atomic energy developed at such great expense to all the American people."

He praised Douglas for his role in getting Congress to boost substantially appropriations for rural electrification purposes.

Then, the former Illinois governor turned to Meek, who before his GOP nomination was executive secretary and president of the Illinois Federation of Retail Assns.

"We've always had lobbyists and always will," Stevenson said. "Special interests always have and always will participate in our public affairs."

"The question, rather, is whether Illinois should send such a man with such allegiances and such ideas to Washington to do a statesman's work at one of history's most critical intervals," he declared.

Army Court Fails To Reach Decision On Fleming Case

FT. SHERIDAN, Ill. (AP)—An Army court of 11 officers deliberated 4½ hours Tuesday without reaching a verdict on enemy collaboration charges against Lt. Col. Harry Fleming.

The court-martial board recessed at 4:30 p.m. (CST) and announced it would resume deliberations at 9 a.m. Wednesday.

Fleming, who appeared encouraged by the lack of a quick verdict, told newsmen:

"I am not trying to appear heroic when I say what happens to me is important not only to me and my family. The important thing is that the policy I fought for is given support."

He defined his policy as an attempt to bring his men back alive and at the same time giving his captors as little help as possible.

Fleming, 46, of Racine, Wis., is the first American Army officer to face a court-martial for behavior in a Korean prisoner of war camp.

The case was given to the court after Lt. Col. John R. Pritchard, the prosecutor, charged that the prisoner's chief aim during three years of captivity was "to survive without regard to the means or the consequences."

The foundation for the modern paper industry was laid about the year 1800, when Europe's first straw pulp mill was established in London.

Asks Big Three For Sovereignty

LONDON (AP)—Chancellor Konrad Adenauer has asked for a quick Western Big Three declaration ending the occupation of West Germany and granting her full sovereignty, Western officials disclosed Tuesday night.

The German leader's call was the day's dominant development in the tangled maneuvers that surround free Europe's search for a means of rearming West Germany in the light of France's rejection of the European Defense Community.

Adenauer's move became known as the Western Allies weighed with cautious reserve French Premier Pierre Mendes-France's new plan for arming the West Germans. The plan was a rival to the British scheme previously advanced by Foreign Secretary Anthony Eden.

The French proposals are viewed as only a starting point for hard bargaining when the London nine-power conference on the key European problem gets underway Sept. 28.

Informants here said Adenauer's call is expected to be high on the agenda for decision at the London parley. It was Sept. 2 that he first put the price tag of "full and undiminished sovereignty" on German military support for Western defense lines.

Adenauer has promised an immediate counter-declaration in return for his requested Big Three declaration. In it, he would voluntarily cede certain rights to the three occupying nations—the United States, Britain and France.

One provision would allow the three nations to keep their armies on German soil on an agreed cost basis. Another would allow the Allies to remain in control of West Berlin, isolated in the Soviet zone. A third would give the Allies control over the problem of German unification.

But a Western difficulty is that the Allies would have to bind Adenauer legally to forego the right to rearm for the period in which the West hammers out an agreement on giving the federal republic a full and equal role within the North Atlantic Treaty Organization.

Adenauer put forward his suggestion for a quick Allied action because quite evidently he considers a long time may be required before a complete solution can be attained to the West German problem of restoring full German independence, including the right to rearm. He clearly needs to show his restless countrymen his policy of close cooperation with the West is paying off.

By Britain's invitation, representatives of the United States and Canada will sit in the nine-power London conference. The others will be Britain, France, Belgium, Netherlands and Luxembourg, who are charter members of the Brussels Alliance of 1948, and West Germany and Italy, who would become members of that alliance under both the Mendes-France and Eden plans.

The French Premier called for the admission of West Germany and Italy in a speech Monday before the Council of Europe's Assembly in Strasbourg. In that speech he insisted on strict limitation of the armies and arms industries of all the partners—which would be one way of keeping German military strength at a level France regards as reasonable—and called for British commitments hitherto refused.

Cold Air Moves In, Frost Warnings For Parts Of State

BY THE ASSOCIATED PRESS

A mass of chilly air from Canada covered most of the central section of the nation Tuesday and spread out toward the East.

The first general frost of the season was reported early Tuesday in North Dakota, Montana, western South Dakota and northwestern Nebraska.

Frost warnings were issued for Tuesday night for parts of Illinois, Iowa, Wisconsin, Minnesota, Nebraska, and the Dakotas.

Many Midwesterners made hasty searches for their topcoats.

By the calendar, it still was summer. Fall begins at 8:56 a.m. Thursday. But fall was in the air early Tuesday when temperatures got down to 38 at Chadron, Neb., and Broadus, Mont. to 26 at Philip S.D., and to 25 at Dickinson, N.D.

Rain fell in the upper Great Lakes area. Showers and thunderstorms marked the progress of the cold front as it moved southeastward.

SOVIET HAS MEANS TO ATTACK SHIPPING

WASHINGTON (AP)—A U.S. Navy publication said Tuesday Soviet Russia has bases from which it could launch air attacks on shipping on most of the sea approaches to Europe and China.

But it added that the ability of Soviet naval aviation to carry out its antishipping mission is limited by size, and said the Russians probably would borrow air force aircraft to perform naval missions, as the Germans did in World War II.

Naval Aviation News, a monthly publication of the Chief of Naval Operations and the Navy Bureau of Aeronautics, said the U.S.S.R. has been expending much effort since the end of World War II on development of the Soviet navy, and of naval aviation.

During the Civil War the Confederate states ran into postal difficulties. Often postmasters used rubber stamps or handwritten signatures to denote paid-up postage.

Anti-Segregation Fight Closes Two Schools In Delaware

By THE ASSOCIATED PRESS

Telephoned threats of violence led to the closing of two public schools again Tuesday at Milford, Del. Possible court action loomed at Hillsboro, Ohio, and a strike of white students continued at Madison, W. Va.

Elsewhere in the South the segregation situation continued calm, with no incidents reported.

At Milford, Dr. Raymond C. Cobbs, school superintendent, ordered the schools closed "until further notice" after reporting telephoned threats of violence if Negroes were allowed to attend classes in the previously all-white high school.

Delaware Gov. J. Caleb Boggs declined comment. A scheduled parade featuring the Milford High School band was canceled.

School doors were shut Monday after the school board learned of a protest march planned by anti-segregationists. Plans to reopen them were abandoned shortly after 8 a.m. Tuesday.

Five policemen guarded the school and tension was reported mounting in the southeastern Delaware community.

Harry E. Mayhew, one of the four members of the school board, resigned, but did not discuss the reasons for his action. There was no immediate decision as to whether 11 Negro pupils would be allowed to take up their high school studies.

School board president Dean Kimmell said that in addition to the telephone calls, a delegation of citizens opposed to integration came to his home, about midnight Monday night and told him that some of their number had "gotten out of hand and there might be violence."

Kimmell said the school board members were not threatened at any time, but that the delegation indicated violence might take place if Negro pupils tried to enter the school.

At Hillsboro, a small southwestern Ohio city, Negroes planned to go to court in an effort to get their children into previously all-white schoolrooms.

VETERAN CHICAGO NEWSMAN DIES

LITCHFIELD, Conn. (AP)—Clem J. Randau, 56, former vice president of United Press and business manager of the old Chicago Sun, died Tuesday.

The veteran newspaperman, a native of Ames, Iowa, died in his sleep. He had suffered a mild stroke some weeks ago.

He recently bought a weekly paper in Litchfield.

He joined the United Press in 1919 as a reporter in San Francisco and after holding several executive positions joined Marshall Field in 1942 as business manager of Field's Chicago Sun and became a vice president and director of Field Enterprises, Inc.

BEN GRAUER GETS LICENSE

NEW YORK (AP)—Radio and TV announcer Ben Grauer, 46, and Melanie Kahane, 43, an interior decorator, took out a marriage license Tuesday at the municipal building. They will be married Saturday.

Editorial Comment

LABOR LEADERS AND POLITICS

For some years it has been apparent that the CIO high command believes its fortunes are firmly bound up with the Democratic Party. CIO leaders have dropped all pretense of impartial political judgment.

As the heavy fall campaigning starts, top officials of the rival AFL organization seem ready to join the CIO in the Democratic fold. If this attitude holds, it will put the two major labor federations in the "automatic" category politically.

George Meany, president of the AFL, disclosed his organization's thinking on the matter when he said recently that the present GOP government is pursuing "the cold-blooded philosophy of private management which holds that profits come before people and that the scales of economic justice can be balanced only after the budget is balanced."

This does not, of course, reflect President Eisenhower's expressed philosophy of government. The President describes himself as a liberal where human welfare is at stake and a conservative in matters of money management.

Nor does Meany's comment square well with what Congress did under the first GOP regime in 20 years. A good deal of social legislation was passed, though not enough to satisfy Mr. Eisenhower.

Meany's distortions fit neatly with his and other leaders' cries of "depression," the battle hymn they hope will bring them back to greater power.

Reports indicate that the much-talked-of economic slump actually brought a drop in national personal income of only 1.3 per cent over a nine-month period. Since that period ended in April, there has been a slight rise.

No one would wish to minimize the upward surge of unemployment that accompanied the business drop, but it is a fact that new claims for jobless benefits have been getting fewer and fewer in the past several weeks. This easing suggests the worst is over.

The deliberately gloomy interpretation placed upon events by Meany and the CIO chiefs makes it clear they think of the nation's economic problems not as thoughtful, responsible economic specialists, but as propagandizing politicians of the worst order. They are determined to get from the business statistics only one answer: an answer unfavorable to the Republicans.

This is really quite unfortunate for them. It sharply lowers their stature as public figures, and damages their credibility as spokesmen in the economic sphere.

Furthermore, it is an unhealthy situation when any segment of society tries to ally itself uncritically and automatically to a particular political party. Parties are human and fallible, they change in quality and character, and it seems unwise to pretend that any group's welfare can be assured only by fealty to a single party.

Luckily for this nation's workers, they have shown far greater independence of thought and action than their pat-thinking leaders. The chances are that they'll keep on showing it.

The World Today

By JAMES MARLOW

WASHINGTON (P)—Andrej Vishinsky can be relied on to make as much trouble as possible among the Western Allies in the United Nations General Assembly which opens its ninth regular session today in New York.

Since the Allies already are having plenty of trouble on their own, centered around the problem of rearming West Germany, anything Vishinsky accomplishes in the way of dissension will be just extra gravy for the Russians.

Vishinsky, who keeps coming back as Russia's delegate to the U. N., no doubt will try to split the United States a little further from its friends on the subject of Red China by making a pitch to get the Communist Chinese seated in the world organization and the Nationalist Chinese ousted.

The British recognize the Communists as the legitimate government of China. The United States is tied to the Nationalist Chinese on Formosa.

But, since the British will go along for postponement for a while, the United States should be able to block U. N. action on Red China this year. Sooner or later, perhaps in 1955, it must face a showdown.

And before it's over this U. N. session may disclose how much, if any, this country's influence among its friends has declined. But meanwhile the major problem of this country and its friends will be in Europe: Germany.

In mid-October the United States and the other nations in the North "NATO," will meet in Paris to discuss the same problem. No solution is in sight yet.

The United States and Britain wanted to see a rearmament Germany in a single European army with the French, Italians and the Benelux countries.

The Allies had agreed that once the single army was created and Germany became a part of it, Germany would regain her sovereignty, which she doesn't have now. The United States, Britain, and France, with their occupation troops in Germany, keep their thumb on the government of Chancellor Adenauer.

The French stalled for two years, dreading the thought of a rearmament Germany and fearing the Germans eventually would control a single army. Finally the French Assembly scuttled the whole idea. Western defense plans were shot to pieces. Adenauer began demanding full sovereignty.

Now Western officials are seeking a plan on which all can agree for restoring arms and sovereignty to Germany.

In Hollywood

HOLLYWOOD (P)—An 11-year-old radio institution is going off the air, all because of the school plans of a couple of boys.

"The Adventures of Ozzie and Harriet" will not be heard on ABC radio this year. But the Nelsons will continue with their delightful capers on TV, as long as the show doesn't interfere with the private lives of sons David and Ricky.

Probably in no other instance does a million-dollar enterprise hinge on the activities of two young boys. But that's the way Ozzie and Harriet want it, and that's the way it will be.

"We have a 10-year contract with ABC, which still has five years to go," Ozzie explained. "The boys' contract, as with all minors, is unilateral. They can back out of the show any time they want."

"That's the only way we would have it. After all, we don't want to impose on them anything they do not like. If at any time the work becomes an unpleasant burden to them, they are free to quit."

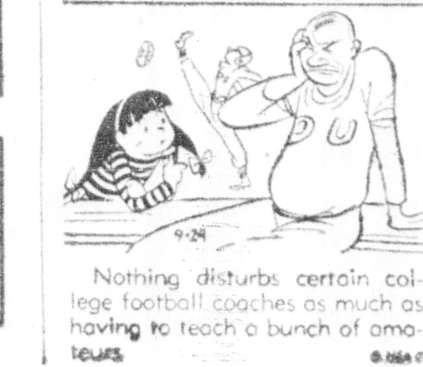

Production of the Ozzie and Harriet show is geared to the convenience of David, 17, and Ricky, 14. The parents and other members of the cast film their scenes on Friday or other days of the week. All of the boys' scenes are shot on Saturday. On some Saturdays, the company may be shooting scenes from four different shows.

The schedule is also planned to take advantage of school holidays at Thanksgiving, Christmas and Easter. The boys catch up on their filming then.

DR. JORDAN SAYS

Treatment of a Goiter Differs With Each Case

BY EDWIN P. JORDAN, M.D.
Written for NEA Service

Mrs. B. D. has written that her mother is troubled with overactive thyroid glands and that she has been given radioactive iodine. Naturally, she is anxious to know more about this problem and what it means for her mother.

First, I should like to say that doctors often use several different names for what is really much the same thing: overactive thyroid gland, toxic goiter, Graves' disease and exophthalmic goiter, for example.

No matter which of these names is attached the trouble lies with the thyroid gland which is a structure of specialized tissue lying in front of the neck and sometimes extending down a little way under the breast plate.

It is a gland of internal secretion and manufactures a chemical or hormone which is poured or emptied directly into the blood and therefore carried throughout the system.

AN ENLARGEMENT of the thyroid gland or goiter can produce any one of several different sets of symptoms. The enlargement may be general and the entire gland involved. This is called a diffuse goiter.

The gland may be irregularly enlarged in the form of growths or nodules and this is called a nodular goiter. In such cases, the gland feels rough and irregular. It can be enlarged likewise by cysts and other conditions.

Even when enlarged the thyroid gland may continue to function fairly satisfactorily. But sometimes the secretion becomes excessive or abnormal and causes toxic symptoms. Stated in another way, one can have a simple nodular goiter, a simple diffuse enlargement, a toxic nodular goiter or a toxic diffuse goiter.

THE TREATMENT of a goiter depends on many factors, which have to be analyzed in each case individually. Sometimes it is treated simply by watching the condition rather than by any active measures.

A toxic goiter, either of the no-

dular type or the diffuse type, generally require some definite treatment.

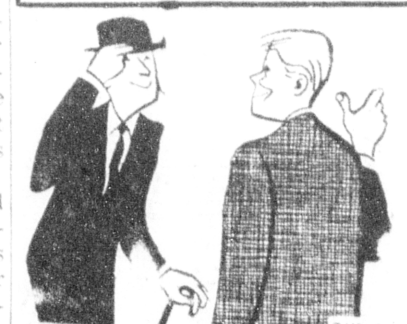

Until recently the best treatment was almost always an operation, that is, removal of a considerable portion of the diseased thyroid tissue. This was a highly successful procedure and is still frequently advisable and performed with full success.

IN RECENT YEARS other methods of treatment have been found which are effective, at least in suitable cases. Most important of these methods is the drinking of a fluid containing iodine which has been made radioactive.

Needless to say, such treatments must be given by an expert and the dose decided only after careful study of the individual patient.

Goiter is still an important medical disorder but it is less common than in the past, probably because of the widespread use of iodized salt which has been shown to prevent the development of many difficulties of this kind.

Old Look, New Look, Both Make Designers Shudder

It's bad enough that the fashion designers who tell us women what to start wearing and when to stop wearing it foist fads on us that shouldn't happen to a woman.

But when, like sheep, the last one of us has been led to slaughter, to add insult to injury the fashion bigshots, themselves, start shuddering at the way we look.

When they sold us on that haircut that looks mused when it is combed and resembles nothing so much as the head of a twelve-year-old boy who went off to camp with a neat crew cut and came home two months later without ever having seen a barber—they called it all sorts of intriguing names.

FADS SHORT-LIVED

Now that the world is full of women whose crowning glory looks—according to most men—as though it had got caught in a power lawn mower the hair stylists have begun to shudder. The little-boy-who-needs-a-hair-cut look will be out by fall, they tell us. And in making their prediction they sneer at the very style they worked so hard to sell us.

And ladies, that is just what is going to happen if we go for the caved-in look they sold us once way back in the Twenties.

Just as soon as we've tossed out all those pretty full-skirted dresses with nipped-in waists that make women look like girls and girls look like girls and sell us those horrors reminiscent of the Twenties, the sneer won't be far away.

Just about the time we get used to looking long-waisted and flat-chested the fashion designers will start to shudder.

And then we'll be in for another new look. But there's one hopeful thing about it all. Whatever the new look beyond the new look is, it is bound to be an improvement on the new look we are now about to take into our closets and on our frames.

Lightfoot Case Starts New Phase of U. S. War on Reds

BY PETER EDSON

NEA Washington Correspondent

WASHINGTON (NEA)—A new phase of the U. S. internal war on Communists will be launched in Chicago this fall with the trial of Claude Lightfoot under the membership clause of the Smith act.

All of the 81 Communist Party functionaries who have been convicted so far have been tried under the conspiracy clause of the Smith act. The specific charge has been a "society, group or assembly of persons who teach, advocate or encourage the overthrow or destruction of the government of the United States by force or violence."

The 10 Smith act trials completed in the past six years plus three more still pending in New Haven, Cleveland and Denver have all been against groups of defendants involved in a conspiracy.

It being easier to bring the Communists to trial in bunches than separately, this pattern has been followed in all Smith act cases until the Lightfoot case came along.

The Evidence In This Case seemed to offer an opportunity for the government to institute a trial against a single Communist under the membership clause. This makes it unlawful for any person "to become a member of, or affiliate with, any such society, group or assembly of persons (advocating overthrow of the government by force or violence) knowing the purpose thereof."

In a membership case, the government must prove in every trial the subversive nature of the Communist Party, its advocacy or overthrow of the government, and the defendant's knowledge of these purposes together with his support of these objectives.

This is a time-consuming process. Even so, government attorneys believe this first membership case may be completed within six to eight weeks. The conspiracy trials have been running six to eight months.

Lightfoot was indicted on May 14, 1954, on charges of being a member of the Communist Party. The case will be set for trial before U. S. district judge in Chicago at a hearing on Sept. 21. The case will be presented by U. S. Attorney Robert Tegen, with Assistant Attorney James D. Parson and William O'Donnell of the Department of Justice.

Since Lightfoot is the first person to be tried under the Smith act membership clause, his case history is of some interest.

He is a Negro, 44 years old, born in Lake Village, Ark. His family went to Chicago during World War I, and Claude Lightfoot went to the Colman Elementary School and Wendell Phillips High School in the Windy City.

He has no other known occupation than Communist official. Over 20 years ago he joined the Young Communist League. In 1934 he became a section organizer for YCL on Chicago's South Side. The next year, at 25, he went to Moscow as a delegate to the sixth Congress of the YCL International.

He returned to Chicago to become YCL state chairman from 1936-39. Then he was made educational director of the party for Illinois, with supervision over the workers' school in Chicago. In 1942 he became a member of the District Eight C. P. committee.

From April, 1934, to November, 1945—during most of which period the U. S. Communist Party was disbanded, Lightfoot served in the U. S. Army. He became a supply technician, third class, in the Quartermaster Corps. He served two years in Europe but saw no action. But he got an honorable discharge.

The next year he was back in Chicago helping to reconstitute the party. In 1948 he listed himself as legislative chairman for Illinois. When Gilbert Green was convicted in the first Smith act trial in New York, and skipped bail, Lightfoot was named to succeed him as Illinois executive secretary.

At the December, 1950, convention of the party in New York, he was elected to the national committee. Claude Lightfoot was named one of nine alternates. This is the position he holds today, as one of set for trial before U. S. district judge in Chicago at a hearing on Sept. 21. The case will be presented by U. S. Attorney Robert Tegen, with Assistant Attorney James D. Parson and William O'Donnell of the Department of Justice.

Swedish Meat Ball Recipe From Minneapolis Is Tops

BY GAYNOR MADDOX

NEA Food and Markets Editor

When we were in Minneapolis, several Swedish-American cooks gave us their recipes. The basic ideas come from the Old Country, but they have been adapted to American tastes and methods.

Swedish Meat Balls

Family Style

(Yield: 4 to 6 servings)

One pound hamburger, 1 cup finely chopped onion, 1 teaspoon salt, 1 teaspoon pepper, 1 teaspoon allspice, 1 teaspoon ground cloves, 1 egg, 4 slices dry bread, flour, 2 cups water.

Combine meat, onion, seasonings and egg. Dip bread in water and squeeze dry. Crumble bread into very small bits and add to meat mixture. Mix well. Form into small balls, roll in flour, and brown in hot fat. When all the balls are well browned, remove from skillet.

Pour off drippings. Measure back 2 tablespoons drippings. Add 2 tablespoons flour. Stir until smooth. Gradually add water, stirring constantly until thickened. Boil 3 minutes. Return meat balls to skillet. Cover and simmer about 15 minutes. Season gravy to taste.

Crisp Swedish Nut Crescents

(Yield: 9 dozen)

One-quarter cup butter or margarine, 1 cup sugar, 1 egg, well beaten, 2 tablespoons milk, 1 teaspoon vanilla, 1-1/2 cups sifted flour, 2 teaspoons salt, 1 teaspoon baking powder, 1 cup chopped pecans, 4 cup sugar.

Cream together butter or margarine and sugar. Add egg, milk and vanilla. Sift dry ingredients together and stir into butter mixture. Spread dough very thin (and evenly) on bottom of greased inverted 8 x 8-inch pans. Sprinkle with nut meats and sugar. Mark in strips 1 by 1 inches.

Bake 1 pan at a time 10 to 12 minutes in moderately slow oven (325 degrees F.). While hot cut into strips and shape over a rolling pin. If strips become too brittle to shape, return to oven to reheat and soften.

Relatives In 2 Cars Crash Head On In Greene Co.

CARROLLTON—Cars driven by Charles Walters of near Eldred and his son-in-law, Robert Hunt of Wood River were practically demolished in an accident which occurred Saturday at 6 a.m. as the two cars met head on on a curve not more than half a mile from the Walters residence.

The Walters family, which included Mr. and Mrs. Walters, their son, and two grandsons, Bobby Hunt, son of Robert Hunt of Wood River, and Jimmy Jones, son of Mrs. Betty Jones of this city, were enroute to Carrollton while their daughters and her husband, Mr. and Mrs. Robert Hunt and four daughters were enroute to the Walters home.

Although neither car could be driven from the scene of the accident, the occupants escaped serious injury, and were not hospitalized following the accident. Mrs. Hunt suffered an ankle injury and her son, Bobby Hunt, lost two front teeth and had bruises about the face and body as did Mrs. Walters. The Hunt family were taken to their home in Wood River Sunday by Mrs. Hunt's brother-in-law and sister, Mr. and Mrs. George Bland of Kampsville.

Woman's Club Dept. Holds Waverly Meet

WAVERLY—The first meeting of the Household Science department of the Woman's club was held at the home of Mrs. Clayton Anderson last Friday, Sept. 17 at 2:30 p.m.

Mrs. Richard Whalen, the club chairman, led the members in the pledge to the flag, to open the meeting. Dues were paid during the roll call. Mrs. Whalen reported \$5 as having been given to the polio fund and Mrs. Harold Wood was voted a new member for the club.

Mrs. E. C. Keplinger demonstrated making flower arrangements with home flowers, petunias, zinnias, etc., and made a corsage at the last. All enjoyed the demonstration very much.

Mrs. Keith Malsbury displayed needlecraft. She showed her crocheted tablecloth that won at the Illinois State Fair and will be sent

to New York for the national contest. It was made with 100 thread she had sent to France for the thread. She also had crocheted pot holders, tea towels and a lot of wonderful things, some not crocheted.

At the close of the meeting refreshments of summer delight salad, crackers and iced tea were served to the members and one guest, Mrs. Arthur Mayberry by the committee of hostesses assisted by Mrs. E. H. Wiese, Mrs. F. A. Robertson and Mrs. Wilson M. Smith.

Mrs. Richard Whalen went to Deatur Monday on business for her husband Richard Whalen.

Paul Roberts, son of Mrs. Grace Cowman was taken to St. John Hospital, Springfield last Friday, being suspected of having polio.

Allen Mitchell, son of Paul Mitchell was also taken to St. John Hospital, Springfield, suspected of having polio.

The regular meeting of the Waverly Boy Scouts troop will be held at the KP hall Thursday night, Sept. 23rd. In addition to the troop membership, the Scoutmasters and the Scout committee urge the parents of all Boy Scouts to be present at this meeting.

I. C. PRESIDENT'S HOME ON CAMPUS ON TOUR

RESIDENCE OF PRESIDENT AND MRS. SELDEN

Pictured above is one of the seven Jacksonville homes to be visited on Sunday by all having tickets for the Homes Tour sponsored by the Recent Graduates Group of the American Association of University Women in an effort to finance a reading program in the elementary public schools.

The fine residences will open their doors from 2:30 to 5:30 in the afternoon with members of the Recent Graduates Group serving as hostesses at the various residences.

The tickets, selling for seventy-five cents, are being sold by members of the group or may be obtained at Long's Pharmacy. The tour is most appropriate as Sunday, Sept. 26 marks the end of the National Homes Weeks, marked by builders throughout the country. The Selden home is located at 310 Lockwood Place on the Campus of the College.

Woodson Woman's Club Becomes A Community Club

The first meeting of the club year of the Woodson Woman's club was held Wednesday, Sept. 15th at the home of Mrs. Gene Ashbaker, with Mrs. Harry Craig and Mrs. Lela Craig as assistant hostesses. A delicious pot luck luncheon was served at noon to those present.

The president, Miss Ruth Carwell, called the meeting to order at 2 o'clock with the group repeating the club pledge, motto, prayer, collect and the pledge to the flag.

Roll call was answered by payment of dues. Mrs. Gene Ashbaker read the minutes of the last meeting. The treasurer's report was given by Mrs. Grace Brandon. Mrs. Lawrence Hembrough gave a report of the district board meeting.

The new officers elected for the coming year are Miss Ruth Carwell, president; Mrs. William DeGroot, vice president; Mrs. Gene Ashbaker, secretary and Mrs. Grace Brandon treasurer.

The next meeting of the group will be held Wednesday, October 20 at the home of Mrs. John Carwell and Ruth; Mrs. Lawrence Hembrough will act as the assistant hostess.

A total attendance of 85 million—half the U. S. population—is estimated by the International Assn. of Fairs and Expositions for the 2,000-odd county, regional and state fairs held this year across the United States.

20th District IFWC Chairmen Report At Dunlap

JERSEYVILLE—The regular meeting of the Twentieth District Illinois Federation of Women's Clubs was conducted Monday at Hotel Dunlap in Jacksonville with several from Jerseyville in attendance.

Mrs. W. G. Burmeister of Mason City, 20th District president, presided, reports of district chairmen were given and club presidents received information on projects and federation programs to bring home to their clubs.

Attending from Jerseyville were: Mrs. John G. Plautt, president of the Jerseyville Woman's Club; Mrs. Everett Tonken, president of the Jerseyville Junior Woman's Club; Mrs. Howard K. Parker, member of the executive board who is also District Art chairman; Mrs. Herbert Naylor, 20th District Junior director; Mrs. Marcus J. Ryan, District Recording secretary; Mrs. F. A. Munsterman, District chairman of the American Home Department; and Mrs. Fred Pratt, District Fine Arts chairman.

Mrs. Munsterman and Mrs. Parker gave an outline of the work for the year in their departments.

Mrs. Marcus J. Ryan of this city, 20th District recording secretary of the Illinois Federation of Women's Clubs, spoke Tuesday evening at the opening meeting and guest program of the Hardin Woman's Club held in the cafeteria of the Hardin schools.

She also presented the opening and closing records of the Central Federation of Women's Club convention held in Denver, Colo. in June.

Jerseyville Tire Thief Caught; Asks Probation

JERSEYVILLE—An information charging larceny was filed here Tuesday morning by State's Attorney Claude Davis against Muriel Phikington of Greene county in the County Court of Jersey county.

Phikington and three companions were arrested about 2 a.m. Tuesday by State Police officer W. O. Culbreth of White Hall, following receipt of a radio call from Jerseyville. The quartette was taken into custody by Culbreth near the Madison-Jersey line.

According to police reports, Phikington and his companions stopped in Jerseyville at the Jack Bright Filling Station on South State Street to repair a flat tire. When the group left, the station attendant, Harold Schneider, noticed that one of the new tires in the station display rack was missing. He immediately contacted local officers and the state police were alerted.

Culbreth brought the four men to the county jail in Jerseyville where they were held pending the filing of charges. The three who were riding with Phikington told officials they did not know the tire had been taken and that it was in the trunk of the car.

Phikington corroborated the statements of his companions and assumed full responsibility for the larceny of the tire. He entered a plea of guilty in the county court Tuesday morning before County Judge John Self and following the plea entered a motion for a parole and suspension of sentence. Judge Self continued the case until Friday afternoon for the report of the probation officer and imposing of sentence.

The three men who had been picked up with Phikington were released from custody Tuesday morning.

Salvation Army Drive In Virginia Week Of Sept. 27

VIRGINIA—The annual Salvation Army drive in Virginia, will get underway the week of Sept. 27. The canvass of the community will be made by local people and a portion of the money raised remains in the community.

Dr. L. Alice Oliphant is chairman and only one drive is made thru the cooperation of the committee.

To reach the rural people, organizations and clubs appeal letters are being mailed and all contributions are to be mailed to W. J. Devlin, Virginia, treasurer of the local fund.

During the past year the local committee assisted a number of families with groceries or clothing, in addition 40 girls were admitted to the Home and Hospital, representing 25 northern and central Illinois counties, including Cass.

ANNUAL WIENER ROAST FOR LOYAL PARTNER'S CLASS

The regular monthly meeting of the Loyal Partners class of the Central Christian church was held Tuesday, Sept. 14, at the home of Mr. and Mrs. Roy Smith, southeast of the city.

The occasion was the class's annual wiener roast and enjoyed a large attendance. A short business session was held. The committee in charge of the arrangements served home-made ice cream and cookies. Committee members were Mr. and Mrs. Roy Smith, Mr. and Mrs. Jesse Moore, Mr. and Mrs. James Robson, Mr. and Mrs. Clarence Lewis and Mr. and Mrs. Russell Eard.

ROODHOUSE

ROODHOUSE—The Methodist Boosters Class will resume the monthly potluck super meetings on Thursday evening, Sept. 23, in the recreation room of the church with Mrs. Walter Ricks and her committee in charge of arrangements.

Tuesday evening Mr. and Mrs. Wallace Reynolds entertained at a dinner for Mr. and Mrs. Hubert Reynolds, Detroit, Mich., who are visiting in this vicinity. Others present included Mr. and Mrs. Ivan Reynolds, Rockbridge; Mr. and Mrs. Bob Worrall and son, David, Winchester; and Mr. and Mrs. Roy Reynolds, Roodhouse.

Born to Mr. and Mrs. Ray Campbell, a daughter, second child, at Passavant Hospital, Jacksonville, Sunday. She has been named Perry Ann.

Mr. and Mrs. Ted Harding, Pasadena, Calif. left Wednesday for their home after a visit with their uncle and aunt, Mr. and Mrs. Roy Crain.

Mr. and Mrs. Otis Crum have returned home after a two weeks visit in the home of his cousin, Charles Sullivan, Milwaukee, Wis. Their son Larry, remained with his grandparents, Mr. and Mrs. Roy Crain, during their absence.

Miss Evelyn May, daughter of Mr. and Mrs. A. L. May, sustained fractures of the left wrist while skating at the roller skating rink in Jacksonville, Saturday evening.

Mr. and Mrs. Jim Beeman, and children, Oak Ridge, Tenn., left Friday, returning to their home after spending several days with his parents, Mr. and Mrs. James Beeman, and others. They were called here by the hospitalization of her father, Plina Trout, east of town, who is a patient at Jefferson Bar-tracks hospital.

Beta Sigma Phi Chapters Enjoy Travel Films

The 1954-55 activities for Gamma and Xi Alpha Upsilon Chapters of Beta Sigma Phi opened with a potluck dinner at the Congressional church with the Chapter Presidents, Mrs. Jerry Carlson and Mrs. Jay Hamilton serving as hostesses. Special guests for the occasion were Mrs. Sherwood Eddy, and husbands and friends of the members.

The dinner, bountiful and varied, featured an entree of baked ham, provided by the hostesses. Tables were colorful with fall flowers, but of particular interest was the table ornamented with beautiful hand woodcarvings from Oberammergau, Switzerland, which were later presented as gifts to the members by Mrs. John May who recently returned from a European tour.

Mrs. Jerry Carlson extended a welcome to those present and introduced John May who delighted the audience with his colored films of England, Belgium, Holland, Germany, Switzerland and France, taken on a two-months trip to those countries with the Schuetze tour. Despite clouds and rain, Mr. May's picture showed a keen perception of the beautiful and outstanding points of interest and the work of an amateur camera expert.

Of special interest were the pictures at Oberammergau where the party had lunch with four members of the Passion Play including Anton Preisinger, who had played the part of Christ, and Anna Rootz, who visited Jacksonville a few years ago into a fibrous mass.

and who has played the part of Mary on four occasions.

Strikingly beautiful pictures of the Matterhorn were taken from the little town of Vermont, Switzerland, reached by electric train. All other traveling was by buses allocated to the tour. Holland pictures included a fashion display with the Sunday church-goers festive in their colorful native costumes, and this was also true at Garmisch, Germany, where the Corpus Christi holiday was being celebrated.

CARROLLTON

Mr. and Mrs. E. Anderson of Bicknell, Ind., were weekend guests of their son-in-law and daughter, Mr. and Mrs. Donald Kachinskas.

Miss Winifred Varble of Washington, D. C., who is spending a few weeks here with her parents, Mr. and Mrs. Ray Varble, accompanied her sister, Mrs. Maurice Hubbs of Wood River, and Mrs. Joe Clark, Jr., and Mrs. L. Doyle of this city to St. Louis Sunday.

Mr. and Mrs. Lee Vinyard and Mr. and Mrs. Melvin Nash of White Hall, Mr. and Mrs. Elmer Miller of Grafton and Mr. and Mrs. Pro-man Holtswarth of Eldred had a picnic dinner Sunday at Pere Marquette Park.

Mr. and Mrs. David Reynolds of Woodson were guests Saturday of Mrs. Reynolds' sister, Mrs. J. O. Jones. A guest of Mrs. Jones and her brother, Al Williams, Sunday was their niece, Mrs. Ivan Candier of East St. Louis.

Straws have been made into paper for countless centuries. The Chinese, who invented paper about 105 A.D., soaked the straw in lime, boiled it, and trampled the residue into a fibrous mass.

How New Trop-Artic Can Double Engine Life

Some motor oils give good protection at low temperatures. Other oils are effective at high temperatures. But TROP-ARTIC All-Weather Oil gives protection at all temperatures from below zero to 180 degrees!

This explains why TROP-ARTIC is so much better than ordinary motor oils at preventing engine wear... so much better that it can even double engine life. TROP-ARTIC lets you start easier... saves you gasoline... saves 15% to 45% on oil consumption... because it resists becoming too thick or too thin.

Phillips 66 TROP-ARTIC is the first all-weather oil which has proved it meets the highest standard ever established for automobile motor oils... the Mil-O-2104 Supplement 1 test. You can't buy better oil for your car!

Exclusive! Phillips 66 Flite-Fuel

Phillips 66 FLITE-FUEL is the new gasoline—the only gasoline to which is added the super aviation fuel component Di-isopropyl.

FLITE-FUEL gives you increased power, higher anti-knock quality and greater fuel economy. You get all the special benefits of famous controlled volatility plus the clean burning qualities resulting from the use of natural and aviation gasoline components.

FLITE-FUEL and TROP-ARTIC are perfect companion products. They go together for better engine performance.

AN ORDINANCE PROVIDING FOR BORROWING MONEY AND ISSUING BONDS OF THE CITY OF JACKSONVILLE, MORGAN COUNTY, ILLINOIS, TO THE AMOUNT OF \$1,250,000.00 FOR THE PURPOSE OF IMPROVING THE WATERWORKS SYSTEM OF SAID CITY BY CONSTRUCTING A WELL IN THE SAND AND GRAVEL STRATA ADJACENT TO THE EAST BANK OF THE ILLINOIS RIVER, AND A WATER TRANSMISSION LINE THEREFROM TO THE CITY OF JACKSONVILLE, TOGETHER WITH THE NECESSARY PUMPS, VALVES, FITTINGS, CONNECTIONS AND APPURTENANCES, AND PROVIDING FOR THE COLLECTION OF A DIRECT ANNUAL TAX FOR THE PAYMENT OF PRINCIPAL OF AND INTEREST ON SAID BONDS.

WHEREAS, the City Council of the City of Jacksonville, Morgan County, Illinois, did call a special election to be held in and for said City on May 25, 1954, for the purpose of voting on the following proposition:

Shall bonds in the amount of \$1,250,000.00 be issued by the City of Jacksonville, Morgan County, Illinois, for the purpose of improving the Waterworks System of said City by constructing a well in the sand and gravel strata adjacent to the east bank of the Illinois River, and a water transmission line therefrom to the City of Jacksonville, together with the necessary pumps, valves, fittings, connections and appurtenances, such bonds to be dated July 1, 1954, and maturing in numerical order \$30,000 on January 1, 1956; \$35,000 on January 1, 1957; \$40,000 on January 1, 1958; \$45,000 on January 1, 1959; \$50,000 on January 1, 1960; \$55,000 on January 1, 1961; \$60,000 on January 1, 1962; \$65,000 on January 1, 1963; \$70,000 on January 1, 1964; \$75,000 on January 1, 1965; \$80,000 on January 1, 1966; \$85,000 on January 1, 1967; \$90,000 on January 1, 1968; \$95,000 on January 1, 1969; \$100,000 on January 1, 1970; \$105,000 on January 1, 1971; \$110,000 on January 1, 1972; \$115,000 on January 1, 1973; \$120,000 on January 1, 1974; inclusive, with bonds maturing January 1, 1970 to January 1, 1974 to be callable at the option of the City in the inverse order of their numbers, on January 1, 1965 or any subsequent interest payment date, bearing interest at the rate of not to exceed 2-3/4% per annum?

WHEREAS, the City Council of said City did cause to be given at least fifteen days notice of said election by publishing notice in the Jacksonville Journal, a newspaper published and of general circulation in said City, as evidenced by a copy of such published notice, together with affidavit of publication thereunto attached now on file in the office of the City Clerk of said City, and made a part of the permanent records of said City, which notice did specify the places where such election was to be held, the time of opening and closing of polls, and the proposition to be voted upon, all in due manner and form as provided for and required by law; and

WHEREAS, a majority of the votes cast at said election were cast in favor of said proposition, and the City Council of the City of Jacksonville is now authorized to borrow the sum of \$1,250,000.00 upon the credit of said City and issue bonds therefor for the purpose of improving the waterworks system of said City by constructing a well in the sand and gravel strata adjacent to the east bank of the Illinois River and a water transmission line therefrom to the City of Jacksonville, together with the necessary pumps, valves, fittings, connections and appurtenances, and it is necessary that the City of Jacksonville, Morgan County, Illinois, borrow the sum of \$1,250,000.00 and issue its bonds therefor.

NOW, THEREFORE, BE IT OR-

DAINED By the City Council of the City of Jacksonville, Morgan County, Illinois, as follows:

Section 1. That it be and it hereby is found and determined that this City Council has been authorized by a majority of all the votes cast on the proposition submitted at an election duly called and held for that purpose, to improve the waterworks of said City by constructing a well in the sand and gravel strata adjacent to the east bank of the Illinois River, and a water transmission line therefrom, to the City of Jacksonville, together with the necessary pumps, valves, fittings, connections and appurtenances, and to borrow the sum of \$1,250,000.00 upon the credit of this City, and as evidence of such indebtedness to issue bonds of this City in that amount.

Section 2. That for the purpose aforesaid, there be borrowed by and for and on behalf of the City of Jacksonville, Morgan County, Illinois, the sum of \$1,250,000.00, and that the bonds of this City in the principal amount of \$1,250,000.00 designated as "Waterworks Improvement Bonds," be issued therefor and sold, which bonds shall be dated July 1, 1954, be numbered consecutively from one (1) to one thousand two hundred fifty (1250) inclusive, be of the denomination of \$1,000.00 each, and of which bonds, bonds numbered one (1) to one hundred fifty (150) inclusive, shall bear interest at the rate of 2-3/4% per annum, bonds numbered one hundred fifty-one (151) to seven hundred five (705) inclusive, shall bear interest at 1-3/4% per annum, and bonds numbered seven hundred six (706) to twelve hundred fifty (1250) inclusive, shall bear interest at 2% per annum, such interest payable July 1, 1955 and semi-annually thereafter on the first day of July and January in each year, and shall mature on January 1, in the following years and in the following respective amounts:

1156-1250	85,000.00	1974

Provided, however, that said bonds numbered 856 to 1250, inclusive, shall be redeemable prior to maturity, as a whole, or in part in the inverse order of their numbering, from time to time, at the option of the City, on January 1, 1965, or on any interest payment date thereafter, upon payment of the principal amount thereof, together with accrued interest thereon to the date fixed for redemption. Notice of redemption shall be published once in a newspaper published and of general circulation in each of the cities of New York, New York, Chicago, Illinois, and Jacksonville, Illinois, not less than thirty days prior to the date fixed for redemption, and when any bond shall have been duly called for redemption and payment made or duly provided therefor, interest thereon shall cease from and after the date so specified.

Section 3. Both principal and interest of said Waterworks Improvement Bonds shall be payable in lawful money of the United States of America at The First National Bank of Chicago, in Chicago, Illinois, which Bank shall be paying agent for the City.

Said bonds shall be signed by the Mayor, sealed with the corporate seal of said City and attested by the City Clerk, and the interest coupons attached to said bonds shall be executed by the facsimile signatures of said Mayor and the said City Clerk, and said officials, by the execution of said bonds, shall adopt as and for their own proper signatures, their respective facsimile signatures appearing on said coupons.

Any of said bonds may be registered as to principal at any time prior to maturity, in the name of the holder on the books of said City in the Office of the City Treasurer, such registration to be noted on the reverse side of the bonds by the said Treasurer, and thereafter the principal of such registered bonds shall be payable only to the registered holder, his legal representatives or assigns. Such registered bonds shall be transferable to another registered holder, or back to bearer, only upon presentation to the City Treasurer with a legal assignment duly acknowledged or approved. Registration of any of such bonds shall not affect negotiability of the coupons thereto attached, but such coupons shall be transferable by delivery merely.

Section 4. That said bonds and coupons shall be in substantially the following form:

UNITED STATES OF AMERICA
STATE OF ILLINOIS
COUNTY OF MORGAN
CITY OF JACKSONVILLE
WATERWORKS IMPROVEMENT BOND

No. _____ \$ _____

KNOW ALL MEN BY THESE PRESENTS, That the City of Jacksonville, Morgan County, Illinois, for and on behalf of the City of Jacksonville, Morgan County, Illinois, do hereby certify that the within and foregoing is a true and correct copy of the original thereof, as the same appears from the records of said City.

IN WITNESS WHEREOF, the City of Jacksonville, Morgan County, Illinois, by its City Clerk, has caused this bond to be signed by its Mayor and attested by its City Clerk, and the coupons hereto attached to be signed by said Mayor and attested by said City Clerk by their facsimile signatures, which said officers do, and by the execution hereof, adopt as and for their proper signatures their respective facsimile signatures appearing on said coupons, all as of the last day of July, A.D. 1954.

sonville, in the County of Morgan and State of Illinois, acknowledges itself to owe and to be indebted, and for value received, hereby promises to pay to the bearer hereof, or if this bond be registered, then to the registered holder hereof, One Thousand Dollars (\$1,000.00), on the last day of January, A.D. 19—, with interest thereon from the date hereof until paid, at the rate of _____ percent (—) per annum, payable July 1, 1955 and semi-annually thereafter on the last day of July and January in each year, on presentation and surrender of the annexed interest coupons as they severally become due.

Both principal of and interest on this bond are hereby made payable in lawful money of the United States at The First National Bank of Chicago, in Chicago, Illinois, and for the prompt payment of this bond, both principal and interest, at maturity the full faith, credit and resources of the said City of Jacksonville are hereby irrevocably pledged.

This bond is one of a series of bonds numbered one (1) to one thousand two hundred fifty (1250) inclusive, all of like tenor and effect, except as to number, date of maturity, rate of interest, and redemption privileges, issued by the said City of Jacksonville pursuant to an Act of the General Assembly of the State of Illinois, entitled "The Revised Cities and Villages Act," approved August 15, 1941, and all Acts amendatory thereof and supplemental thereto, for the purpose of improving the Waterworks System of said City by constructing a well in the sand and gravel strata adjacent to the east bank of the Illinois River, and a water transmission line therefrom to the City of Jacksonville, together with the necessary pumps, valves, fittings, connections and appurtenances, and pursuant to an ordinance duly passed by the City Council of said City, and approved by the Mayor of said City, and pursuant to the authority conferred at an election held in said City of Jacksonville, duly called, noticed and held, at which time the proposition to issue said bonds was approved by a majority of all the votes cast on said proposition at said election, in all respects as by law required.

This bond may be registered as to principal in the name of the holder on the books of said City, in the Office of the City Treasurer, such registration to be evidenced by a notation of said Treasurer up on the back hereof, after which no transfer hereof shall be valid unless made on said books and similarly noted hereon, but it may be discharged from said registration by being transferred to bearer after which it shall be transferable by delivery, but it may be again registered as before. The registration of this bond shall not restrict the negotiability of the coupons by delivery merely.

The City of Jacksonville reserves the right to call and redeem bonds of this issue numbered 856 to 1250, inclusive, or any of them, prior to maturity, as a whole, or in part in the inverse order of their numbering, from time to time on any interest payment date on and after January 1, 1965, upon payment of the principal amount thereof, together with accrued interest thereon to the date fixed for redemption. Notice of redemption shall be published once in a newspaper published and of general circulation in each of the cities of New York, New York, Chicago, Illinois, and Jacksonville, Illinois, not less than thirty days prior to the date fixed for redemption, and when any bond shall have been duly called for redemption and payment made or duly provided therefor, interest thereon shall cease from and after the date so specified.

It is hereby certified that all acts, conditions and things required to exist or to be done precedent to and in the issuance of this bond, did exist and happen, have been done and performed, in regular and due form, and as required by law.

It is further certified that the indebtedness of the City of Jacksonville, Illinois, including this bond and the series of which it forms a part, does not now exceed any limitations imposed by law, and that provision has been made for the collection of a direct annual tax sufficient to pay the interest hereon as it falls due and to pay and discharge the principal hereof at maturity.

IN WITNESS WHEREOF, the City of Jacksonville, Morgan County, Illinois, by its City Clerk, has caused this bond to be signed by its Mayor and attested by its City Clerk, and the coupons hereto attached to be signed by said Mayor and attested by said City Clerk by their facsimile signatures, which said officers do, and by the execution hereof, adopt as and for their proper signatures their respective facsimile signatures appearing on said coupons, all as of the last day of July, A.D. 1954.

Bert Bell Blasts Big Ten Officials As 'Isolationists'

By RALPH BERNSTEIN

PHILADELPHIA (AP) — Commissioner Bert Bell of the National Football League Tuesday blasted Big Ten officials and others as "isolationists and selfish men" intent on severing years of harmonious relations between college and professional football.

Bell said Kenneth (Tap) Wilson, Big Ten commissioner; Theodore B. Payeur, Northwestern University athletic director; Tom Hamilton, Pittsburgh athletic director; and Fritz Crisler, head of athletics at Michigan, are the ringleaders in an attempt to cause a rift between college athletics and professional sports.

Nuxhall Shuts Out Milwaukee 5-0 On Six Hitter

MILWAUKEE (AP)—Joe Nuxhall fired a six-hitter at the patched up Milwaukee Braves Tuesday as Cincinnati posted a 5-0 victory before 10,001 fans, smallest paid attendance of the year at County Stadium.

Nuxhall scattered the six singles during five innings, the Braves pulling two on only in the ninth.

Three double plays pulled the veteran left-hander out of any trouble.

The loss kept the Braves two full games out of second place behind Brooklyn with only four games to play for each team.

BY BILL MERRIS

The time of the year is bearing when baseball fans the country over begin talking about the Rookie of the Year award. It is our opinion that Wally Moon will receive this distinction in the National League. However, it should not be the shoe-in we expected earlier in the campaign.

The Cardinals have another young man on their ball club who is doing one whole of a job for the Stanky crew. He is none other than rookie shortstop Alex Grammas. The "Golden Greck" is currently the hottest hitter on the Cardinal team and is also leading the National League shortstops in fielding. This is quite a distinction when you consider the loop still has fellows like Dark, McMillan and Reese kicking up dirt around the short pasture.

Just how good the 26-year-old Birmingham, Alabama native is remains to be seen. One thing is for sure—he gives the Cardinals their greatest shortstop protection since the hey days of Marty Marion. He has built his average to a very respectable .265 after being in the 22nd most of the year. He would only have to hit above the .260 mark to become one of the brightest Cardinals stars.

Grammas is one of the three \$100,000 players the Redbirds picked up during the winter. Today he is the only one still in the majors although the other two are scheduled for another trial next spring. However, if he continues his remarkable playing he alone would be worth the price of all three.

Grammas isn't the only Cardinal rookie to be reckoned with when balloting time rolls around to select the "Rookie." If he hadn't been up for before, catcher Bill Sarni would certainly be in the running. He could get one award anyway. "The biggest surprise the Redbirds had all year." Not only has he been around the 300 mark, he is one of the better defensive catchers in the league.

But in the rookie category besides Moon and Grammas, there is a fellow by the name of Lawrence. The big hurler has pitched good ball and plenty of it since joining Stanky and his crew. Then there is a first baseman by the name of Joe Cunningham who is hitting above the .290 mark. Another pitcher Gordon Jones has looked real good but he hasn't been up long enough to be in the running.

Yes, when it comes time to cast the ballots to determine the National League's "Rookie of the Year" we imagine the Cardinals will be well represented in the final count.

Paper Reports A's May Be Sold Within 24 Hours

CHICAGO (AP)—Arnold Johnson, Chicago real estate operator, said Tuesday night "I have no comment as of now" in reference to reports that the Philadelphia Athletics may be sold to him within the next 24 hours.

Johnson told the Associated Press "the offer that I have made with representatives of the Athletics still stands." Johnson would not reveal what the offer was.

However, it is reported Johnson offered \$4,500,000 for the Athletics, including Connie Mack Stadium, or \$2,500,000 without the stadium.

Earlier, the Chicago Tribune said it had learned "from a high authority" that the team may be sold to Johnson within 24 hours.

Johnson said if the deal is consummated he will ask the American League if he can have the franchise transferred to Kansas City.

Officials of the American League, whose club owners must decide whether to permit the sale and movement to Kansas City, could not be reached for comment.

In Kansas City, sources close to the reported negotiations said the sale is almost certain to go through.

But in Philadelphia, it was said that negotiations are still in the preliminary stage with a multitude of technical details still to be worked out.

Jensen Sets Double Play Mark

BOSTON (AP)—Jackie Jensen of the Boston Red Sox set into the major league record books Tuesday, but he isn't going to celebrate the event.

Jensen hit into his 32nd double play of the year in the first inning of the first game of a doubleheader with the Philadelphia Athletics at Fenway Park.

The previous major league high for a season was 31 set by Bobby Doerr, formerly of the Red Sox, in 1949.

Bob Grim First 20-Game Yank Rookie Since 1910; Sets Nationals Down 3-1

NEW YORK (AP)—Bob Grim beat the New York Yankees' first 20-game winning rookie since Russ Ford in 1910 as he held Washington, D.C., to four hits Tuesday for a 3-1 victory.

The small turnout saw a line stop but threw high to second pitcher's battle between Grim, the base pulling Jerry Snyder off the Yanks' candidate for "rookie of the year" awards, and Dean Stone, on the play.

Bill Skowron's single to left drove home Mantle to make it 3-1.

Football Briefs

SOUTH BEND, Ind. (AP)—Injuries to key men continued to worry coach Terry Brennan Tuesday as he groomed Notre Dame for its season football opener at home against Texas.

Sam Palumbo, left tackle who is regarded an outstanding defensive lineman, still is nursing a wrenched leg.

The news on Palumbo's condition followed an announcement that Gene Kapish, junior right end, probably will miss Saturday's inaugural game of a twisted knee.

CHAMPAIGN, Ill. (AP)—A long passing drill was the main item Tuesday in what was expected to be the last hard practice session of the week for Illinois.

Coach Ray Elton has shown dissatisfaction with the Illini's aerial game to date. Quarterbacks Em Lindbeck, Hiles Stout and Bon Gonzola took turns throwing. Although Lindbeck will start against Penn State in Saturday's opener, Stout and Gonzola are strong contenders for the regular job.

EVANSTON, Ill. (AP)—Tackle John Smith and halfback Dick Meyer returned to the Northwestern football camp Tuesday.

Smith, a 245-pound junior, was called home Friday because of the death of his father.

Meyer, senior letterman, had been sidelined for a week with a head injury.

The Wildcats went through a heavy contact drill stressing defense on Iowa State plays.

BROOKLYN EAGLE 'HEY YANKS, MOVE OVER'

NEW YORK (AP)—The Brooklyn Eagle the faithful and off-unhappy hometown newspaper of the Dodgers, buried the 1954 National League baseball pennant race with this front page streamer today:

"Hey Yanks, move over!"

The headline was framed in black.

Minors Planning Damage Suit Against Majors

ALBANY, N.Y. (AP)—A group of minor league baseball club owners, irked over declining attendance and revenue, was reported Tuesday to be planning a \$50-million-dollar damage suit against baseball Commissioner Ford Frick and the owners of the 16 major league clubs.

The Knickerbocker News, in a story by sports editor Charles Young, said the invasion of minor league territory by telecasts and radio broadcasts of major league games would be the basis for the suit. Young said the suit definitely would be filed.

Frick, in New York City, said he had not heard of the proposed suit and declined comment.

In Columbus, Ohio, George M. Trautman, president of the National Assn. of Professional Baseball Leagues (the minors), also declined comment.

Young quoted an unidentified source as saying "our leaders in baseball have done nothing to save the minors from being ruined."

SPORTS TRAIL

By WHITNEY MARTIN

NEW YORK (AP)—The big man with the high, flat cheekbones and jutting chin turned up the collar of his slicker, hunched his shoulders and headed up Seventh avenue in the rain and there was something poignant about the scene.

For there was a touch of pathos in Ezzard Charles' trudging along unnoticed by the crowd, with the gray, damp day providing a drab backdrop. It seemed to symbolize the end of the trail, particularly as far as his heavyweight championship aspirations were concerned.

And there was an added touch of pathos in the knowledge he had just been through the ordeal of being knocked out by Rocky Marciano all over again.

It was only the preview showing of the fight films, but you knew he must have been inwardly wincing at every crushing blow from Rocky's big fists, his memory of the pain refreshed as the picture progressed to its predetermined climax.

We sat almost behind the thwarted challenger in the little studio and sneaked glimpses of his profile during the showing to see if he betrayed any emotion. We were disappointed. Ez sat impassive, except for once when we detected a trace of a smile during a spirited exchange.

Afterward, with the pictured evidence as proof, Charles admitted he did not beat the count and ventured that "I should have got up sooner."

Did he see anything in the picture that he should have done differently? Ez flashed his golden smile. "Yes," he said promptly. "I should not have pulled away. Don't know why I did it."

And did he remember the sequence of blows which put him down for the third and final time? That right to the back of the neck which preceded the final left hook for instance? Marciano had poised his right over the jack-knifed Charles, then brought it down ponderously as if driving a spike with his fist.

"I remember that punch," Ez said. "I didn't see the punch that knocked me down earlier in that round."

Oddly enough, the pictures indicated Charles put up a better fight than you remembered. He fought back when hurt, and he landed clean, hard shots which might have stopped a less rugged opponent, but against Marciano it was like driving a fist at a brick wall.

He said he remembered distinctly that it was a left hook that split Marciano's nose, and he also said, rather surprisingly:

"It was an easy fight for both of us." He probably meant that it was only about half as long as their first meeting, and that neither man took as much punishment, although Ez was knocked out this time and never left his feet in the first encounter.

And what was he thinking as the film unrolled? Ez spread his hand and cocked his head expressively. "I don't just know," he said, as if groping for words. "It's just like seeing yourself in a newsreel, that's all."

But you wondered what thoughts actually skipped through his nimble brain. Whether he saw openings which he should have taken advantage of, whether he discerned the error of his strategy, other than that of pulling away.

The little group surrounding him started to break up. Ez sat there for a moment, gazing at nothing in particular, then said thoughtfully, and softly:

"I still think I can beat him."

Nobody had the heart to dispute him.

White Sox Snap Cleveland's 11-Game Streak 9-7

CLEVELAND (AP)—The Chicago White Sox scoring three of their runs on a wild pick-off throw, defeated the Cleveland Indians 9-7 Tuesday night and snapped an 11-game Triple winning string for the second time this season.

The Indians made five costly errors in chilly wind-whipped Municipal Stadium in missing their 11th victory and a tie with the 1927 New York Yankees as the American League's biggest all-time winners. But Cleveland has four games left in which to tie or exceed the record.

12 New Gridders Report To IC

Coach Al Miller had a pleasant surprise yesterday as 12 more football candidates reported for afternoon workouts. This brought the number of men in uniform to 33.

At the same time Coach Miller announced Friday afternoon as the date for the annual Blue-White game at the hilltop.

Those reporting are: Bill Hagood, Bill Williams, Dick Hahnngen, Fred Baird, Gene Farmer, Al Carver, Bill Dornacher, Bert Miller, Dave Beno, John Tratusas, Bob Guene and Bill Hancock.

Giants Continue With 5-2 Win Over Dodger

BROOKLYN (AP)—Climbing the National League pennant didn't halt the New York Giants Tuesday night over Brooklyn Tuesday 5-2 on a five-hit pitching job by Ruben Gomez and Jim Hearn. The Giants eliminated the Dodgers Monday night, but all regulars except Hank Thompson and Wes Westrum started against lefthanded Johnny Podres.

Bobby Hofmas, filling in for Thompson at third base, hit a home run with the bases loaded following singles by Don Mueller and Willie Mays and a walk to Monte Irvin in the first inning.

Mays, who took over the league batting lead from Brooklyn's Duke Snider during Monday night's clinching ceremonies, held tight to first place with two hits in three trips for 346. Snider went one-for-four at 340.

After the first inning outburst against Podres, it was all over. The Giants rubbed it in a little when Gomez hit a home run off Podres in the fifth inning for their other run.

New York Bond Market

NEW YORK (AP)—Selective trading and narrowly mixed prices prevailed in the bond market Tuesday as much attention focused on new corporate and municipal financing.

U. S. government bonds, continuing Monday's pattern, were unchanged to nominally lower.

Utilities were generally higher in slow corporate dealings. But industrials were mostly lower and railroads irregular. "Big Board" volume slumped to \$2,560,000 par value from \$3,300,000 Monday.

Most corporate changes were fractions.

New York Stock Market

NEW YORK (AP)—With a final rush forward, the stock market Tuesday entered new high ground for the year.

The closing level of average prices again scored a new 25-year peak, a more or less regular performance during the past few months.

There was no particular news to account for bullishness of the market. Almost all major divisions joined in the rise which was accompanied by expanded volume.

The Associated Press average of 90 stocks advanced 99 cents at \$135.20. The average hit a new 25-year high Friday with a gain of 80 cents. It was down 80 cents Monday. Tuesday's advance put the average up 10 cents above the previous high at the best levels since Oct. 22, 1929.

The industrial component added \$1.80 at a new high of \$185.60, and the railroads gained 70 cents and utilities 10 cents.

Trading started slowly with prices somewhat mixed. Plenty of minus signs dotted the list. Strength gradually spread, and in the final 30 minutes of trading there was one last forward surge.

The volume of business came to only 1,770,000 shares, well below the daily average so far this year. Monday's market saw 2,060,000 shares change hands.

The American Stock Exchange was rather mixed with trading at 660,000 shares as compared with 770,000 shares Monday.

FEED GRAINS STEADY, OTHER GRAINS EASE

By WILLIAM FERRIS

CHICAGO (AP)—Feed grains mostly held steady while wheat, rye and soybeans eased on the Board of Trade Tuesday.

Action of the market was confused by closing out of September contracts. For example, all deferred futures in corn were quite firm but the September month wound up 4 1/4-5 1/4 lower. Wheat did the opposite—deferred futures all eased while September closed strong.

In September soybeans, which attracted the most attention, trading was orderly throughout the day and final prices were 1/2 lower to 3 cents higher.

Wheat closed 1 cent lower to 1 1/2 higher, corn 5 1/4 lower to 3 1/2 higher, oats 1/2 to 1 cent higher, rye 1/2-1 1/4 lower, soybeans 1 cent lower to 3 cents higher and lard 35 cents lower to 3 cents a hundred pounds higher.

The break in September corn reflected a weak cash market. Some grain men were expecting larger offerings of cash corn on the free market because numerous farmers did not adhere to government acreage allocations. Therefore, the grain will not be available for the government loan.

Cash receipts of soybeans fell off to 109 cars, but Tuesday normally is the day when receipts are small. Light rain is downstate Illinois could cause a slight delay in the harvest, grain men said. Korea bought 168,000 bushels of soybeans and Japan was in the market for 858,000 bushels.

CHICAGO LIVESTOCK MARKET REPORT

CHICAGO (AP)—Hog prices rebounded Tuesday after the preceding session's sharp break, aided by smaller than expected receipts. Gains ranged from 25 to 50 cents in both butchers and sows.

A top of \$20.25 was paid for choice butchers weighing 225 and more. The bulk of choice 190 to 260-pound butchers moved at \$19.75 to \$20.00. Sows sold from \$16.25 to \$19.75. Salable receipts at 7,000 head fell 3,000 under the advance estimate.

In the cattle section steers sold steady while heifers were steady to 25 cents higher. Top on steers was \$28.50 and on heifers \$25.00. Salable receipts at 5,000 were 1,000 under expectations.

The bulk of choice steers and yearlings were taken at \$23.50 to \$25.75. Buyers paid \$19.00 to \$23.75 for most good and choice heifers. All classes held steady in a fairly active trade in the sheep section, where salable receipts totaled 1,500. Mostly good to choice native lambs moved at \$18.00 to \$20.00.

I.S.D. Tigers Pound Petersburg 31-0

Coach Jim Spink's I.S.D. Tigers journeyed to Petersburg Monday night for their season's opener and defeated the host team 31-0.

The game was played in a steady drizzle from the second period on but the rain failed to dampen the Tigers' attack. Petersburg kicked off to I.S.D. Rampley and Kane picked up several yards on end runs before quarterback Al Duncan threw a 30-yard pass to Zacharian who was downed on the three-yard marker. Kane went over center to score the first touchdown of the year for the Tigers. The attempted kick for extra point was not good but the visitors led 6-0.

After I.S.D. kicked off the host team fumbled on the first play and the Tigers recovered. Kane threw a beautiful pass to Phelps good for the second I.S.D. touchdown. The pass carried 40 yards in the air. Extra point failed once more.

In the second period, after the rain started, I.S.D. kicked off again and Petersburg fumbled after picking up a first down. Running plays carried the ball to the 15-yard line before Duncan threw a pass to Rampley for the third T.D. This time the extra point was good on a pass from Duncan to Embee and I.S.D. had a half time lead of 19-0.

The Tiger defense looked good in this quarter. Their touchdown came on a series of passes involving the combination of Duncan to Kane. The pass that carried the ball into pay dirt was a short heave from the quarterback to Kane. The kick for extra point failed and I.S.D. led Petersburg 25-0. Coach Spink used his second team backs throughout most of this period.

The whole second team played most of the final period as every boy making the trip got into the lineup except two freshmen. One of the freshmen, Mehrling, looked exceptionally good on both defense and offense. It was his running that set up and scored the final T.D. for the Tigers. The play began on the 5-yard line, Mehrling picked up 30 yards on a right end sweep. However a 15-yard penalty moved the ball back to the Petersburg 30. But the freshman speedster ran the same play again and went over to give the Tigers a 31-0 victory.

The I.S.D. eleven was penalized over 90 yards while Petersburg lost 45 yards by penalties. Besides Mehrling, another first year man looking very good was Schultz.

Score by quarters:

I. S. D. 12 7 6 6 30
Petersburg 0 0 0 0 0

Officials: Caldwell, Kraushaar and Savage.

Alleged Numbers Writer Chews Up, Swallows Evidence

BALTIMORE (AP)—Sat. Edwin Taylor testified that when Michael Farmer was arrested Monday the 62-year-old suspected numbers writer stuffed a wad of slips into his mouth and started chewing.

Taylor said he grabbed Farmer's cheek and warned him that if he kept chewing he might injure himself.

Farmer kept chewing and wound up at Johns Hopkins Hospital where he was treated for self-inflicted cuts on the side of the cheek.

He failed to digest one of the slips, however, Taylor said it was restored chemically and showed numerals and cash amounts on it. Farmer was held for the grand jury in \$2,500 bail.

Defends Labor Leader In Charge Of Racketeering

QUINCY, Ill. (AP)—A local union vice president was the first defense witness in the federal court trial of Jack Green, Granite City, Ill., labor leader, on racketeering charges.

Green, business agent for Local 397 AFL Common Laborers Union, is accused of pressuring contractors to hire unneeded laborers on the Chain of Rocks canal project in Madison County.

Loy Dale Skeen, vice president of Local 397, testified Monday the trouble at the Chain of Rocks project began when contractors refused to hire laborers as had been the custom in the past.

Enrollment Up 20% In Four Illinois Teachers Colleges

CHICAGO (AP)—The four Illinois state teachers colleges have had a 20 per cent increase in enrollment this year.

This was reported Monday by the State Teachers College Board. The board authorized three of the four colleges to expand facilities to handle additional teaching loads at the schools.

The schools and their current enrollment are Eastern Illinois at Charleston, 1,666; Illinois State Normal at Normal, 2,612; Western Illinois at Macomb, 1,836; and Northern Illinois at DeKalb, 2,156.

Northern, the only school not in the board's order, has already provided for the increased enrollment, the board said.

Teddy Roosevelt was said to have clocked a lion which traveled 100 yards in 3 seconds.

GOP Faces Hard Fight To Win, Hall Tells Ike

DENVER (AP)—President Eisenhower was told by Republican National Chairman Leonard Hall Tuesday that the party faces "a hard fight" to maintain GOP control of Congress in the November elections.

Hall also told the chief executive, however, that despite the battle ahead, the chances for Republican success in winning both the Senate and House again are "good."

There were these other developments at the summer White House Tuesday:

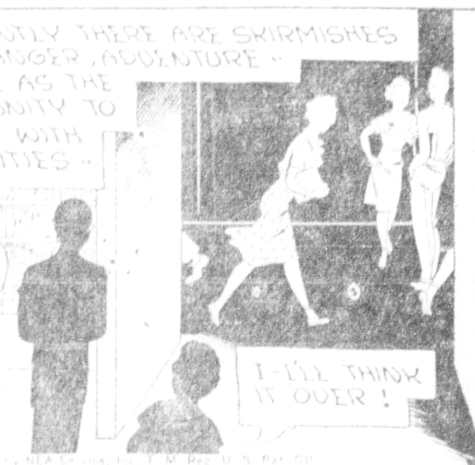

1. The President approved a 100-million-dollar hike—up to a new total of 700 hundred million—in military and economic aid to South Korea. Harold E. Stassen, chief of the Foreign Operations Administration, announced the approval and said part of the increased aid will be used to train South Korea jet fighter pilots for the first time.

2. Stassen also disclosed the President gave a go-ahead on plans for government purchase

THE STORY: Mrs. Hilton Carlson, one of the wealthy Jacksonville, takes no pains to hide her dislike for Jim Dunn and his wife Nancy who have taken up residence at the Spikes part of the Carlson Colorado estate. Jim and Nancy are posing as caretakers while working for their client, Mrs. Karl Carlson, daughter-in-law of Mrs. Hilton. Mrs. Hilton has warned Jim against fishing in the lake saying the fish belong to her.

house, tore off her veil. Her face was ghastly. "He—I saw him. He's dead, but I saw him. Stoneman."

"Saw who?" She made a visible effort to get hold of herself. "Who—who was that man in the boat?"

"Name's Philip," Jim said. He looked past his client, saw the cook standing in a doorway. She turned away as if satisfied with the one-word answer.

"Philip? Philip? Oh." The last word was a long drawn out sigh of relief. "Philip Stoneman?"

"Philip is all I know," Jim said. Kit Carlson had complete control of herself now. "Thank you, Mr. Dunn. Sorry to interrupt your fishing."

Jim let the last words serve the purpose for which they were uttered, showing him out of the house. He had no more interest in fishing, walked slowly toward the caretaker's cabin. He tried to tell himself it would be a shock to anyone, seeing a man thought dead by a California swimming pool caving around a Colorado lake. Yet there were too many other thoughts that crept unwanted into his mind. He knew he would have to have a real showdown with his client.

When he reached the steps leading up to the balcony of the caretaker's cabin, he tried to set a smile on his lips, the smile of the conquering fisherman.

Nancy opened the door for him. He dropped his creel, his fly rod. "What—what happened to you?"

"You like my outfit?" she wanted to know. "It's something dark and dowdy I whipped up. More proper for the servant class, you know."

In spite of an excellent trout dinner, Jim Dunn was reduced to pleading by now. "Look,

they'll do it every time. At last they arrive and try their linguistic talent on a garcon—that's a waiter, you know."

YOU SOUND JUST LIKE A REAL FRENCHMAN... PARLEZ-VOUS RUE DE LA PAIX... CHAPEAUX... DONNEZ-MOI LA CARTE DU JOUR! QUI, QUI... I UNDERSTAND... I WILL SEND ZE BOY WHO SPEAKS ENGLISH, NO? UN MOMENT, SIL VOUS PLAIT... AVEZ-DES ESCARGOTS AUJOURD'HUI?

THANKS AND A HAT TO YOU! I'VE BEEN HERE SINCE I WAS A BOY.

ney, you don't have to wear that all the time, do you?"

"You mean you don't like the new Nancy?"

Jim looked again and still could not repress a shudder. Nancy's trim blue jeans, gay wool shirt and jacket were gone. Instead she wore a short, tight, black dress with an uneven hem line. A pink slip showed in front, and a shoulder strap showed at the V neck. The dress had tiers of dark red material and a sash with a large buckle too low on the skirt. The sleeves were long. Nancy had pinned her hair back, and had made-up crudely applied. Her shoes were high-heeled black pumps on which she had managed to fasten red bows.

He listened to her explanation, only half understanding. He was willing to let it go that his wife had contrived the "outfit" from things she had brought.

"Certainly I do so look forward to our meeting. Do you think I should curtsy? Or should I content myself with a simple 'Yes mom, no mon?'"

"Depends on the inflection," Jim said judiciously.

"Are you really worrying about what I'll say?"

"Frankly, no. Your clothes might be a good idea."

A piece of wood creaked, broke in two in the fireplace. Jim moved reluctantly to put his foot on the glowing ember which had popped out onto the hearth.

He whirled around quickly at the sound of a strangled gasp, a sound completely out of keeping with the mood of the moment.

Nancy had one hand at her throat, was pointing with the other. Her face was very pale now.

Firelight shone on the unshaded window at which she pointed. Pressed against the glass was a hideous misshapen face.

Lutheran Men Elect Winchester Man Secretary

The Lutheran Laymen's League of the Central Illinois District, the Lutheran church—Missouri Synod, held its 24th annual convention Sunday, Sept. 19, in Peoria at Trinity Lutheran church. More than 600 delegates attended the sessions presided over by Alvin Blumh of Clayton, president of the league.

The convention resolved to continue its support of Camp Clena, a Lutheran youth camp near Springfield, and voted to work toward the expansion of cabins and facilities at the camp.

Otto Moll of Altamont, reporting on the Lutheran Hour, world-wide radio broadcast, operated by the church and supported by the Lutheran Laymen's League, stated that "Bringing Christ to the Nations" is heard over 150 stations in 65 countries and 56 languages. Seventeen stations in Korea carry the program. According to a recent Nielsen survey, the Lutheran Hour leads all religious programs on the networks.

Election results were as follows: Alvin Blumh, Clayton, president; Lud Haluska, Peoria, vice president; Byron Koch, Winchester, secretary; J. M. Painter, Decatur, treasurer.

The delegates voted unanimously to support the church's "Building for Christ" collection for March, 1955. Five million dollars is to be raised for the capital improvements at Valparaiso Lutheran University, Valparaiso, Ind.; Bethesda Lutheran Home, Watertown, Wis. The Lutheran School for the Deaf, Milwaukee, N. Y., and other institutions of mercy operated and maintained by the Lutheran church—Missouri Synod.

Many Practical Nurses From Here At Sangamon Meet

There was an excellent representation of members of the Jacksonville unit 3 of Licensed Practical Nurses attending the banquet and program for division nine, of which this area is a part, held Sept. 13 at the YWCA in Springfield and at which Earl Floreth of this city was the guest speaker.

Those from this unit attending were Mrs. June Wimmer, Mrs. Mathilde Wessier, Miss Lydia Tholen, Mrs. Helen Leary, Mrs. Loretta Kehoe, Miss Sallie McKinney, Mrs. Flora Redshaw, Miss Ada Rahe, Mrs. Nora Strueter, Mrs. Florence Chalmers, Mrs. Cade, Mrs. Estella Curtis, Miss Eva Powers, Mrs. Maude Draughn, Mrs. King, Mrs. Wahl and Mrs. Knight.

Division nine is comprised of Cass, Christian, Macon, Mason, Menard, Morgan, Monticue, Platt, Scott, Shelby and Sangamon counties. The banquet and program were largely attended. A board meeting was held at 4 in the afternoon and Mrs. Redshaw, president of the Jacksonville unit, attended.

Many matters of interest concerning practical nurses were discussed at the meeting. The banquet tables were beautifully decorated in the colors of the Illinois Licensed Practical Nurses of purple and gold with a centerpiece of yellow roses. A delicious banquet was served by the ladies of one of the Lutheran churches in Springfield.

Mrs. Alice Aarup, president of the Springfield unit, opened the meeting and presented Mrs. Mary Runnels, president of the division.

Mrs. Floreth told of the various methods of administering oxygen to a patient, his theme being Oxygen Therapy which proved most interesting and illustrated with slides.

Jaycees Sponsor Scout Troop At Winchester

WINCHESTER — Gary Buckley was named Scoutmaster at an organization meeting of the Boy Scouts Monday evening at the home of Tom A. Coultas, president of the local Jaycees, who are sponsoring the newly formed organization.

Tom Walker, field executive of the Abraham Lincoln Council of Boy Scouts met with the group and the following other leaders were named: Jack Smith, assistant scoutmaster; Donald McLaughlin, chairman of troop committee; Jim Saffer, secretary; Don Cox, treasurer; Dick Lashmet, outdoorsman; Charles Buhig, institutional representative and Howard Lockman, advancement officer.

The first meeting will be held Thursday at the American Legion hall and boys who are interested in becoming Scouts are invited to attend this meeting. Boys from 11 to 18 are eligible to belong to the Scout.

Research Forum Meeting. Research Forum No. 24 met at the home of Mr. and Mrs. Fred Kory, near Bluffs, Monday evening with a 6:30 dinner.

Following a short business session conducted by the president, Charles Shipley, Ronald Reid presented the paper for the evening, which he had prepared on the subject "Future of the American Farmer."

The paper stated that in 1904 one farmer produced enough for 7 persons while in 1940 production had been raised to the ratio of one to 11, and with the use of modern machinery one farmer now produces enough for 18 persons.

The paper pointed out that actually present day farm surpluses are only 3 or 4 years ahead of the increase in population, and it was suggested that we shouldn't be worried about surpluses but instead strive for higher production.

Betty Ann Jackson Marries

At a small informal wedding Sunday afternoon at the Baptist church Miss Betty Jackson became the bride of Mr. Cecil Campbell of Naples, Ill. The ceremony was performed by Rev. William Sealock in the presence of the relatives and a few close friends.

The bride is the daughter of Mr. and Mrs. Edward Jackson of Chicago, and the groom's parents are Mr. and Mrs. Ralph R. Campbell of Naples, Ill.

Preceding the ceremony Mrs. Nora Bean played several selections at the organ. Miss Joyce Houns and Gregory Campbell were the couple's attendants.

Given in marriage by her father, the bride wore a navy suit, with navy velvet hat and navy accessories. Her corsage was of pink carnations. Miss Hoots wore a navy suit, with white hat, navy accessories and a corsage of white carnations.

Mrs. Campbell graduated from the Winchester High school, class of 1953. She has since been employed in the office of the Secretary of State. Mr. Campbell is employed at the State Hospital in Jacksonville. The young couple will live in Springfield for the present.

Following the service a reception was held at the home of Mr. and Mrs. Orrin Duncan. The wedding table was decorated with yellow flowers and silver service. Assisting Mrs. Duncan with the reception were Miss Hoots and Mrs. William Sealock.

Woman's Club Begins Activities

Mrs. Elizabeth Breckinridge spoke to over 50 members of the Woman's club at their first Assembly meeting of the new year Monday evening at the Baptist church. Mrs. Breckinridge, of Chicago, consultant on Aging for the Public Aid Commission, presented some of the reasoning behind the formation of specialized services for older people. She stressed the importance, economically and socially, for making the increasing percentage of the aged happier and more useful. Such an evidence of interest in persons and organizations has helped in selecting Scott county as a demonstration county to see how resources might be developed for this group.

Mrs. Breckinridge showed a number of pictures which she took in European countries this summer while on a Gerontological tour, making a study of nursing and pension homes.

Mrs. Breckinridge was introduced by Mrs. Temple Irwin Grout.

Mrs. R. R. Funk, President, conducted the brief business session. Approval of the action of the Executive Board in which the \$184 made by the Club from the Concession at the IREC meeting this summer was voted by members. It was pointed out that this action was taken as an alternative to raising dues as the low dues do not entirely cover the operating expenses of the Club.

Literature and Civics Department was in charge of the Assembly. The committee serving refreshments included Mrs. Horace Wainwright, Mrs. Karl Longenbach, Mrs. O. C. Smith, Miss Ruth Reeder, Mrs. John Barnett, Mrs. Oren Robertson.

Persons

Mr. and Mrs. Mark Peak and Robert Lawrence returned Sunday from Louisville where they had been with the Horse Show. On Tuesday Mrs. Rose Hopkins of Waukegan, Wis. was a guest of the Peaks.

Mrs. Mabel Lamb, of Wilmington, Calif., is visiting with the Raymond Long family here, and other relatives in Jacksonville.

Mr. and Mrs. Gary Leib visited here over the weekend. Gary is enrolled as a student at Western State Teachers College at Macomb where they are now making their home. His mother, Mrs. Helen Leib, is living here now while she is employed in Pittsfield.

Wm. T. Mulligan, 87, Dies At Home In Franklin

William T. Mulligan, 87, lifetime resident of Morgan County, died suddenly at his home southeast of Franklin at 3:30 p.m. Tuesday. He was born Sept. 27, 1867 at Sinclair, Ill., the son of the late Samuel and Nancy McConnell Mulligan.

He was united in marriage to Della Kirby August 26, 1891, who preceded him in death December 17, 1934. To this union was born three children: Fletcher Mulligan of Laddonia, Mo.; Glen Mulligan, Franklin, and a daughter, Verne, the wife of F. E. Peterson of Jacksonville.

Also surviving is a sister, Mrs. Sara Hadley of Oakland, Calif.; two grandchildren, Kirby Mulligan, U.S. Navy, stationed at Antioch, Calif., and Mrs. Archie Thomas, of Griffith, Ind.; also five great grandchildren.

Mr. Mulligan was a member of the Franklin Methodist Church, and farmed in the Franklin community the majority of his lifetime.

Funeral services will be held Thursday at 2:30 (DST) p.m. at the Neece Funeral Home, in Franklin, with the Reverend P. G. Batty officiating. Burial will be in the Franklin cemetery.

The family will meet friends at the funeral home Wednesday evening, from 7-9 p.m.

90 PER CENT CORN SAFE FROM FROST

SPRINGFIELD, Ill. —The current dry spell has hastened the drying of corn and soybeans, the Illinois Weekly Weather and Crop Bulletin said Tuesday.

About 90 per cent of the corn crop is safe from frost, well ahead of the usual progress. Harvest of seed corn is under way but otherwise picking has been confined chiefly to corn required for immediate feeding, the report said.

About a fourth of the soybeans have been combined, most of it in the lower half of the state.

Seeding of winter wheat is just beginning. Most of the other small grains sown earlier have developed good stands, the report added, but wheat seedlings need more moisture for prompt uniform germination.

A group of local Baptists attended the West Central BYF Rally at Lattin Baptist Church Monday evening where plans were made for the BYF Workshop at Lake Springfield this weekend. Those attending were Linda Campbell, Phyllis Atkins, Conde Evans, Marilyn Evans, Janet Frost, Eddie Hart, Leslie Watt, Jim Turner, Rev. John Scott, Rev. William Sealock and Mrs. William Campbell, Mrs. C. R. W. Frost.

Mr. and Mrs. Floyd Wallace and son, of St. Louis, were weekend guests of his mother, Mrs. N. T. Wallace.

Mrs. W. E. Harper is recovering at her home following a fall in her yard in which she suffered a painful leg injury.

Mrs. Fred Leiner of Chicago visited with her mother, Mrs. Temple Grout over the weekend. Mr. Leiner is studying toward his Master's Degree in the School of Business Administration at Harvard University this year.

Mr. and Mrs. G. R. Burroughs from Michigan City Ind. and Mrs. George Rome from Corpus Christi, Texas are visiting at the home of their sister, Mrs. Ralph Rogers, and family.

Mrs. William Lashmet entertained at a shower honoring Mrs. Robert Reid at the C. L. McLaughlin home Tuesday afternoon.

The Loyal Daughters Sunday School Class of the Winchester Christian church have postponed their quarterly meeting and party which was scheduled for Wednesday, the 22nd, until Wednesday evening, Sept. 29th.

Mr. and Mrs. Ray Johnson and Mrs. Dick (R. J.) Coultas accompanied Dick (R. J.) Coultas to the National Flower Contests in Olney Friday, where he competed in the Illinois Contest. While there Mr. Coultas and Mr. Johnson were interviewed by Joe Meek, Republican Candidate for Senator, and this interview was televised over the National Broadcasting system Monday.

Two Companies Submit Bids For New Fire Engine

Two of the largest fire engine manufacturing companies in the world are competing for the business of selling Jacksonville a new pump.

At Monday night's council meeting two bids were opened. The American LaFrance Foamite Corp., Elmira, N. Y. bid \$16,595 and the Seagrave Corp. Columbus, Ohio, bid \$16,250.

Proposals of the two companies based on specifications which were prepared by Chief Howard Reynolds and the fire committee, were referred to the committee on motion of Alderman Chumley, seconded by Alderman Allen. The bids will be evaluated and a report made back to the council.

The specifications are for a 750 gallon per minute pump, operated by a 215 horsepower motor, and fully equipped with fire fighting equipment. The new engine to be purchased soon will replace a pump that has been in service 37 years.

Alderman Mathews of the fire committee called attention to a recommendation by a coroner's jury that the city and county supply a boat for rescue work in the Jacksonville lakes. Mayor Hoagland said the fire chief and members of the department had talked with him about a rescue outfit, complete with boat and grappling hooks. Hoagland said the fire department is prepared to submit plans for such an outfit.

On motion of Alderman Merriam, seconded by Alderman Allen, the proposal for purchasing a boat for rescue work was referred to the fire committee for study and report.

A report of vandalism at the north side sewage disposal plant was made by Alderman Allen, who said large chunks of concrete and other debris have been thrown in to the secondary tank by boys, who were chased away from the place.

Allen said the debris is a hazard to the pistons of the pump in the bottom of the 25 foot tank.

He said the tank is located in the rear of the main building out of sight of the operator. Allen recommended that a protective fence be built around the area, and he was joined in this recommendation by N. J. Butler, manager of the water, light and sewer department.

Alderman Allen said the tank is 25 feet deep, has sloping sides, and is a dangerous place for trespassers. Police were called to the area and are reported to know the identity of the boys involved in the concrete throwing episode.

County Welfare Board To Stress Youth Security

"Advancing The Security of Our Youth" was announced as the theme for the year's programs at the monthly meeting of the advisory board for Morgan County Child Welfare Services Monday noon at the Dunlap Hotel.

Reverend Clair Malcomson, chairman of the board, presided at the business session and introduced Mrs. Paul Vannier, program chairman, who explained the plan for the year's program.

Mrs. Vannier presented Mrs. Russell Armstrong of the local office who made a comparison of the children receiving services in June 1953 and in August 1954.

"The emphasis is now on, protective services in the family rather than on the individual child," Mrs. Armstrong told the group. "Some have come voluntarily to the agency; others have been referred by the court. Some live at home, some with relatives, some in boarding homes, and some independently."

Mrs. Armstrong described the types of service rendered and listed as special problems: lack of treatment resources for adolescents, finding jobs for them, and the finding of foster homes.

Mrs. George Taylor also a member of the local staff, in a discussion of foster homes in this area said, "An article on foster homes in the Journal and Courier during the month of June brought 35 inquiries. Although 10 heard the announcement on the radio, all 35 had read the article in the paper."

"The 35 inquiries led to the licensing of 5 foster homes with 4 more in the process, a percentage which is considered a good average."

The board meets regularly from September through May on the third Monday of each month. Members present at Monday's meeting in addition to those previously mentioned included: Dr. Isabel Stewart, secretary; Dr. Mary Louise Newman, Mrs. S. V. Weller, Judge Paul Fenstermaker, Dr. F. G. Norbury, Fred R. Bailey, Dr. R. W. Brazelton, Mrs. Walter Bellatti and Mrs. P. J. Ferry.

Council Of Church Women To Sponsor Halloween Project

The Jacksonville United Council of Church Women met last Friday afternoon at the First Presbyterian Church to formulate plans for the united action of all church women for the coming year. The president, Mrs. Friedrich Engelbach, presided and 25 women, representing 13 churches, were present.

Mrs. Lawrence Crawford was appointed chairman of the council's newest project—which is a variation of the old familiar "Tricks or Treats" Halloween game. Mrs. Crawford explained that her plans call for the youth in all churches to join in a single, organized and well supervised Halloween project which will be both fun for the young people and show positive worth while results of which they may be very proud. The children, at a specified time will ring door bells throughout the city, but instead of asking for "Tricks or Treats" they will show their UN arm bands and ask for a coin to be deposited in a paper milk carton, also decorated with a UN insignia.

All funds collected in this manner will be sent to the UNICEF (United Nations International Children's Fund). This plan was last year in 1949 communities with amazing success. We in Jacksonville were in it in a small way. The Council believes that youngsters enjoy collecting gifts for others, rather than for themselves, and this year hopes to greatly increase both the number of children taking part and the funds collected.

Other things the Council planned for the united efforts of the local church women include: World Community Day, at 2:00 p.m. in the new addition of the First Baptist church on November 5. Mrs. Sherwood Eddy will be the featured speaker. The theme is "Build Little Children Peace"—"Let the Little Children Come." The project slogan is "Parcels for Peace." Mrs. J. L. Bunch is the local chairman; World Day of Prayer, February 25. The theme is "Abide With Me." John 15:4. Mrs. C. Leple Kanatkar is the local chairman and the May Fellowship Day, May 6. The theme is "Strengthening the Christian Family's Resources for Responsibility in a Changing World."

Undergraduate courses which will be taught two semesters, 3 hours each semester, are Foundations of Science, which fulfills the science requirement of the college, and taught by Dr. C. Leple Kanatkar; and Intermediate French, three hours each semester, taught by Mrs. Clara Porter. Three hour courses taught the first semester only, are Education (Reading Methods in the Primary Grades), given by Miss Ellen Nued; Development of the English Novel, by Dr. Paul Rowland; and History of Modern Painting, by Edwin Foersterling.

Three graduate courses will be offered: first semester courses carrying three hours credit are Construction Programs of Physical Education, taught by Dr. Margaret Duncan; and History of Education, by Dr. Victor Sheppard. A two-semester course, with three hours credit each semester, in Growth and Human Development will be taught by Robert Alexander.

Those who wish further information about the evening courses should get in touch with the Office of Dean Wendell S. Dyringer.

20th District Clubwomen Have Board Meet Here

Members of the executive board of the 20th district of Federated Clubwomen in Illinois met recently at the Dunlap Hotel. Eighty women attended the luncheon meeting in the banquet room headed by the president of the district, Mrs. G. W. Burnsmeier of Mason City.

The pledge to the flag was led by Mrs. H. K. Parker of Jerseyville and the song, "America the Beautiful" was led by Miss Charlotte Sieber, music chairman.

Reports were heard by the various committee members and plans for the coming year were discussed. Miss Sieber, music chairman, presented Professor Hugh Beggs from MacMurray College, who favored the group with several piano numbers. Mrs. Fletcher Blackburn, mental health chairman for the district, presented Dr. Louis Benson, superintendent at the Jacksonville State Hospital, who in turn presented Mrs. Mary Zachary, supervisor of the Volunteer Service department at the Hospital. Mrs. Zachary explained the comparatively new community service now underway at the Hospital for volunteers to give of their time and interest to the mentally ill and the rewarding satisfaction, spiritually and publicly of such service.

The next meeting of the board will be held at the Dunlap Hotel during the month of December.

SELLS TOKENS TO MAKE UP GAMBLING LOSS

NEW YORK (P)—James Blount, 30, a transit system change maker, was accused Tuesday of making up gambling losses by selling 15-cent subway tokens at bargain rates.

Having lost his pay check, Blount, police said, reported for work last Friday, helped himself to several bags of tokens, locked his change booth and went upstairs.

There, on a downtown Brooklyn street, he allegedly disposed of 5,769 tokens—worth \$865.35—to passersby at prices varying from two for a quarter to 10 for a dollar.

With 2,231 tokens left, Blount went home. Later, conscience stricken, he confessed to his minister who advised him to give himself up, police said.

Blount was charged with grand larceny.

Expect 600 Here For Guidance Convention

Over six hundred superintendents, principals, guidance directors and college administrators are expected on the MacMurray College campus, Friday and Saturday, Oct. 1 and 2 for the 10th anniversary convention, Illinois Guidance and Personnel Association. Returning to the campus on which the conference was first organized, the officers anticipate the largest convention in the history of the association.

First developed through a joint project of the Occupation Information and Guidance Services of the State Board of Vocational Education headed by Dr. C. A. Michelman, Chief of the Service in Springfield and Dean Wendell S. Dyringer, MacMurray College, the initial meeting included guidance and personnel workers in an area approximately 100 miles from Jacksonville. Today the association embraces guidance personnel throughout Illinois and some educators in adjacent states. From the original attendance of less than 100, state conferences have now reached the 600 plus mark.

Dr. Louis W. Norris, President of MacMurray College, will serve as host for the anniversary convention which will be highlighted by a banquet, Friday evening, Oct. 1 at which Dr. Dyringer will review the history of the association in his address, entitled "Ten Years of I.G.P.A." Conference keynote for the 10th anniversary will be Easter Lloyd-Jones, national known Columbia University professor of education and distinguished author, lecturer and authority in the guidance field.

For a number of years he was employed by the Jacksonville Street Railway Co. In later years he worked as porter at the Dunlap barber shop, Loop barber shop, and other establishments. It was in these places where he came in contact with many people that his gentleness and comradeship were most appreciated.

Mr. Johnson was born March 26, 1880, at Cottage Grove, Tenn., moving with his parents to this city when he was five years old. On March 16, 1901, he was united in marriage with Lillian Roberts in this city. Mr. and Mrs. Johnson celebrated their golden wedding anniversary two years ago.

The decedent was a veteran of the Spanish-American War, holding membership in the Springfield post. He was a member of Mt. Emory Baptist church.

Surviving are his wife, Mrs. Lillian Johnson; three foster children, Mrs. Lucille Carr, Chicago; Helen Louise Mounts, and Mrs. Homer Portee, both of this city; two sisters, Miss Bessie Johnson of Jacksonville and Mrs. Birdie Strange, Chicago.

Also surviving are four grandchildren and several nieces, nephews and cousins.

He was preceded in death by one foster child, one sister, and three brothers.

The remains are at the Cody & Son Memorial Home, where services will be held at 2:30 o'clock Thursday afternoon.

The family will meet friends from 7 to 9 o'clock Wednesday evening at the funeral home.

Ernest Houchins, Farmer, Stockman In Pittsfield, Dies

PITTSFIELD—Ernest Houchins, 69, well known farmer and stock man, died suddenly in his home six miles west of Pittsfield at 8:50 a.m. Tuesday.

Mr. Houchins had just finished shaving and dressing in preparation for a daily trip to town, when he was suddenly stricken with a heart attack and died at his home. He had been under the doctors care for a heart ailment but was completely active in his business affairs.

Mr. Houchins was born March 3, 1885, in Perry, Ill., the son of the late Edward and Sophia Collins Houchins.

Surviving is a wife, Glenna Durbin Houchins of Pittsfield; one son, Edgar, Pittsfield; one daughter, Mrs. Earl Edwards (Gladys) of Winchester; two sisters, Miss Bertha Houchins of California, and Mrs. Dora Buff, Perry, Ill.

Body is at the Plattner Funeral Home in Pittsfield, where services will be held Thursday at 2:30 p.m. (CST), with Rev. Dale Pitcher in charge.

Burglars Steal Jewelry Valued At \$25,000

CHICAGO (P)—High speed burglars took jewelry valued at \$25,000 early today in a three-minute raid on Chicago's Last Department Store on the Southeast Side.

Police arrived four minutes after an automatic alarm was sounded when the thieves entered the store. The thieves, carrying diamond rings and wrist watches, had just left.

In their haste, they did spill a few pieces of jewelry.

Police Lt. Joseph Obreck said the job was the work of the "three-minute gang."

The quick-moving gang has burgled stores in other police districts.

TOKYO RAIN, RADIOACTIVE

TOKYO (P)—Radioactive rain, contaminated by recent Russian A-bomb tests, fell Saturday in northern Japan, the newspaper Asahi said today. The radioactivity was far below the danger level. Russia announced last week it had completed a new series of A-bomb tests.

Funeral Services

Mrs. Thomas Burdick
MEREDOSIA—Funeral services for Mrs. Thomas Burdick will be held at 2:30 p.m. Wednesday at the Methodist church with the pastor, Rev. George Garis, in charge. Burial will be made in the Oakland cemetery. The body was taken from the Schaefer funeral home to the residence Tuesday afternoon.
